

ACG ART LTD

ACG ART LTD is a company that in conjunction with Artist Andrew Garner have had a series of exhibitions at the Poly Falmouth and at the Salt House Gallery in St. Ives.

The artworks have used the wooden belly board as a canvas .The belly boards are all hand made, laminated and are unique with concave tuning through the boards.

The boards are then painted using inspiration from around Cornwall and art styles from famous artists e.g. Dame Barbara Hepworth, Breon O'Casey and Ben Nicholson.

Andrew also owns a company called Against the Grain Handplanes which will be displaying various boards at the event.
