

VAPA Booster Information

C.K. McClatchy High School
Visual and Performing Arts (VAPA)
3066 Freeport Blvd, Sacramento, CA 95818 (916) 395-5050

The mission of the Visual and Performing Arts Booster is to provide volunteer and financial support to ensure that the program continues to promote higher academic achievement, develop marketable career skills, encourage continued education, advocate for the arts and enhance the quality of life in our community. The VAPA Boosters are dedicated to giving parents, friends and families the hands-on and financial opportunity to take an active role in supporting art students and faculty, as well as promoting a cohesive fine arts community. VAPA Boosters will also support and foster extracurricular Fine Arts including Performing, Visual and Literary Arts and provide outreach by engaging our community with the ongoing activities and accomplishments of the VAPA program.

VAPA meetings take place on the first Wednesday of the month from 6-7pm.

The VAPA classes are funded in the same manner as all classes at CKM but the Arts require consumable supplies. Art schools in our surrounding area have fundraising goals of \$40,000 a year or more. We are seeking parents who are ready to support the VAPA vision with monthly meetings and strong involvement. We will nominate the new board on September 5th and Vote on October 3rd. Please complete this form and bring it to the VAPA Vision Event on August 28th or contact Mollie Morrison (mollie-morrison@scusd.edu) with your interest.

Current Board Members and duties:

President: (Mollie Morrison): call meetings to order, call motions to the floor, organize the booster board and subcommittees, and communicate with the general membership and VAPA faculty

Vice-President: (Rebekkah Frost): assist VAPA Booster Board President with duties specifically those pertaining to organization and communication

Secretary: (Open): record and present minutes at meetings, assist with communication

Treasurer: (Suzy Byrd): keep records of the Boosters' financial activity, maintain the Boosters' bank account, prepare and present monthly financial report

Student Board Members: (Annabella Kliman & Serena Feniger): To represent interests of the student body at Booster Board meetings and to communicate with the VAPA core students
