Our Mission . . . *educate and equip today's youth in faith and knowledge while guiding them to become Christian leaders.*

Our Proactive Faith-Building Activities . . . First and foremost, we are a Christian school and have designed our school day to include activities that model our Christian faith.

Our Environment . . . We offer a Christian atmosphere which encourages students to achieve. We emphasize respect, responsibility, service, and discipline to promote individuality yet integration as part of a team. Supportive, positive friendships are just part of our school.

Our Expectations . . . We expect all of our students to be excellent, holding them to high standards in academics and personal behavior. Our students rise to meet these expectations.

Our Curriculum . . . Challenging yet accessible is the focus of our curriculum. We want to push the students while making sure that all students have the tools they need to succeed. We offer almost 40 different courses, an honors program, and dual enrollment opportunities with Kaskaskia College.

Our Teachers . . . We are a team of qualified, caring individuals with lots of experience and big hearts. Parents frequently list the faculty and staff as Christ Our Rock's biggest asset.

Our Students . . . God has blessed us with great students. They are very involved, academically motivated and genuinely concerned about each other. They come from communities all over our region, various religious denominations, and a variety of cultural backgrounds.

Our Results . . . Yes, we have high test scores, college acceptance rates, and much more - but the best way to see the results is to watch the students grow on a daily basis.

Our Commitment to be Drug Free . . . Students deserve a learning environment free from drugs so we have random drug testing and other programs, making every effort to keep illegal drugs out.

Our History . . . Enrollment has steadily grown each year from our start with 9 students in 2004 to 117 students for the 2018-2019 school year.

Our Activities . . . Student Leadership Team, HSM music combo, scholastic bowl, service projects, FFA, National Honor Society, homecoming & prom, annual drama production, various clubs & guilds, Stallion Booster Club, yearbook, and music solo & ensemble.

Our Athletics . . . Our Silver Stallions athletic program continues to mature into respectable competitors in volleyball, soccer, golf, swimming, boys basketball, girls basketball, cheerleading, track & field, baseball, softball, and others forthcoming as interest and enrollment allows.

Our Facility . . . Our 42 acre campus was dedicated in 2007. Its design is highly conducive for learning and development with first-class accommodations, and room to grow.

Our Credentials . . . We have accreditation or membership with the Illinois State Board of Education, National Lutheran Schools, Association of Lutheran Secondary Schools, AdvancEd, Illinois High School Association, and Midland Trails Conference.
