ZONING PERMIT APPLICATION

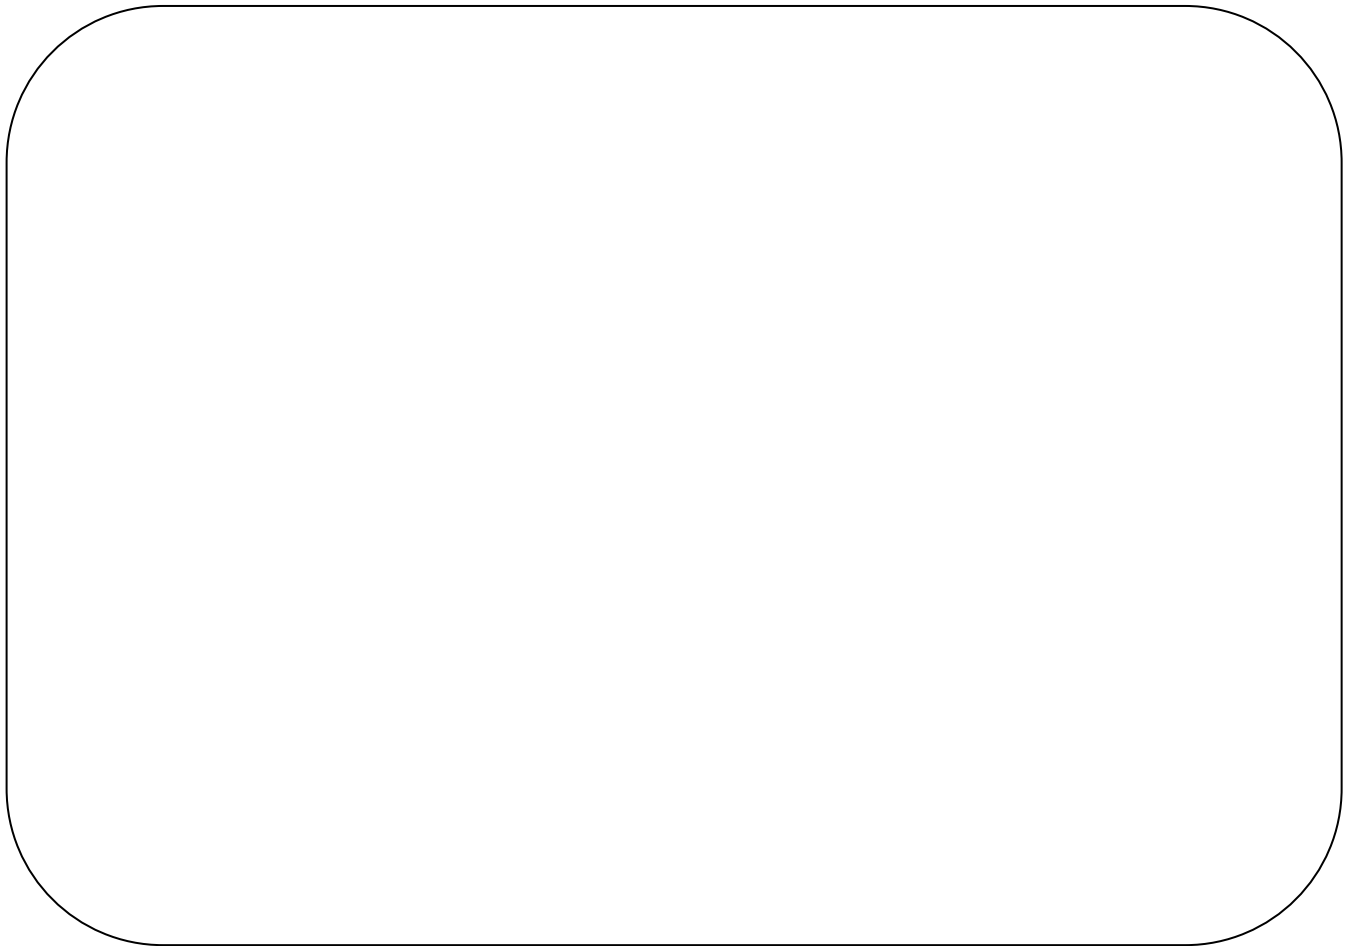

Project Plans

Site Plan. A detailed drawing, drawn to scale, indicating lot lines, roads, driveways, sidewalks, buildings, structures, building setbacks, and any other pertinent information shall be submitted.

Building Plans. A detailed drawing, drawn to scale, indicating all floor plans, elevations, and any other pertinent information shall be submitted.

Grading/Drainage Plan. A detailed drawing, drawn to scale, indicating the ground elevation at the foundation and at all lot corners. All grades must be consistent with an approved grading/drainage plan for the subdivision, if one exists. If there is no grading/drainage plan, the average grade elevation of the adjacent lands must be maintained.

Site Plan.
