

Greetings Extraordinary Woman;

I am so excited that you are attending the 2018 God's Girls Getaway in Bridgewater, New Jersey. We are going to have a great time. We will be having anointed messages, music and fun-filled games, ice-breakers and giveaways. Come with great expectation and anticipation because I believe this event is going to take you from ordinary to "Extraordinary".

Because the theme for this event is "**EXTRAORDINARY WOMEN**", on Thursday evening, we are going to be "Extraordinary" together by having a "**PRETTY IN PINK**" (**PAJAMA PARTY**). Yes, I am asking for every woman to attend Thursday's night session wearing your favorite Pink (***comfortable, non-revealing, AND non-see through***) Pajamas or Lounge wear.

Please feel free to offset your loungewear with any accessories you would like, however, just comes dress for the "**PRETTY IN PINK PJ'S PARTY**". Don't forget your slippers, or socks so your feet can be comfortable because we are going to have a great time to set the getaway off right.

DRESS ATTIRE- As far as the dress attire for the rest of the sessions, it is comfortable and casual (leave your dressy church attire home). As a matter of fact, if you would like to wear jeans or a nice jogging suit or something along that line during each session, please feel free to do so. What's important is that you are relaxed and ready to receive all that God has for you.

FITNESS CENTER and INDOOR POOL- On site, there is a fitness center and an indoor pool. If you enjoy working out or just want to go for a nice swim, than please make sure you bring your sweat gear and/or swimsuit to take advantage of the beautiful hi-tech workout facility and swimming pool in which both are available to you.

SHOPPING- Lastly, I have allotted enough free time for you to do some shopping which is directly across the street and is in walking distance from the hotel.

(Zumba)- ladies, pack your workout gear because we will be having Zumba on Friday and Saturday morning from one of the top Zumba's Instructor in Philadelphia, Deidra Rich. You will definitely get an extraordinary workout with her. So come ready to get your workout on.

S.O.S.) STRENGTHENING OTHER SISTERS SESSION: On Saturday April 21 @ 12 noon, there will be a special luncheon session for Pastors, Pastor's Wives, Co-Pastors, First Ladies, Ministers and Minister's wives. If you are a registered GGG attendee, than this session is free for you. If you are not a conference attendee, than this session will be \$75 which includes your lunch and an all day commuter's passaccess to all sessions for that day (morning and evening). **EVERYONE MUST REGISTER FOR THIS SESSION @ www.godsgirlsgetaway.org.**

"GO FOR THE GOAL" WORKSHOP - on Friday, April 20th (1:30-4:00PM), I will be hosting a **"GO FOR THE GOAL" WORKSHOP**. Did you know at the beginning of every year, many people set goals but 92% of them never achieve or reach them which means only 8% of people who actually set goals, achieve them? This workshop has been designed to teach you the principles and success secrets of those who are in the 8% category so you can start setting and achieving goals for your life and be apart of the 8%. The cost to attend is \$20 which includes your manual and refreshments. **TO ATTEND, PLEASE REGISTER @ www.godsgirlsgetaway.org.**

If you need any additional information regarding the upcoming getaway, contact us at 610.970.3938 Tuesday thru Thursday from 9am-3pm.

Again, I am so excited that you are coming and I look forward to being "Extraordinary" with you at the **2018 God's Girls Getaway**.

Aiming Higher in Christ,
Pastor Wanda Martin
