Construction | LLC

INTRODUCING - FJP

At FJ Palmore Construction, LLC, we offer each and every Client:
Unrivaled Performance, Unsurpassed Commitment and
Uncompromising Integrity.

These standards of excellence enable us to develop relationships across a broad range of markets including biotech, pharmaceutical, commercial, industrial, institutions, local and state government agencies, and manufacturing.

FJ Palmore Construction, LLC provides tailored and adaptable solutions using leading edge technology and proven methodologies that reduce project costs, accomplish project objectives, and improve quality and schedule of the delivered end product.

Our Key Differentiators

We strive for the utmost excellence to Build Your World

- + Ability to handle both large and small projects
- + Unrivaled technical strength and expertise
- + Integrated approach to design solution and client relations
- + Proactive and flexible
- + Global capabilities

Our Mission & Vision

FJP is committed to building long-term relationships based on integrity, performance, value, and Client satisfaction. We continue to meet the changing needs of our Clients with our quality services delivered by the most qualified people.

Our vision is to set the industry benchmark for quality and performance in construction services.

FJP places the interests of our clients above all else. We understand that construction is only part of a larger effort of our Client's successful execution of their business plans.

We offer value throughout the entire building / construction / facility life cycle, with expertise and flexibility to contribute to that cycle at any point in time – at any phase.

A professional relationship that begins with project planning – and continues through to project completion and beyond. A relationship built on leadership, teamwork, confidence, experience, and a passionate commitment to quality – A relationship that delivers the new benchmark for value in construction services.

Our Services

- + Design / Build
- + Project Management
- + Construction Management
- + Self Performance Crews

- + Quality Control Program
- + Building Commissioning

Our Values

Exceed customer expectations: through timely delivery of quality construction services.

Customer Alignment: First and Foremost, we are our Client's advocate.

Proactivity: Find effective solutions that best achieve our Client's goals.

Clarity: Listen and communicate effectively throughout each and every phase of every project.

Integrity: Our entire company adheres to the ethos of honest, fairness and ethical business practices.

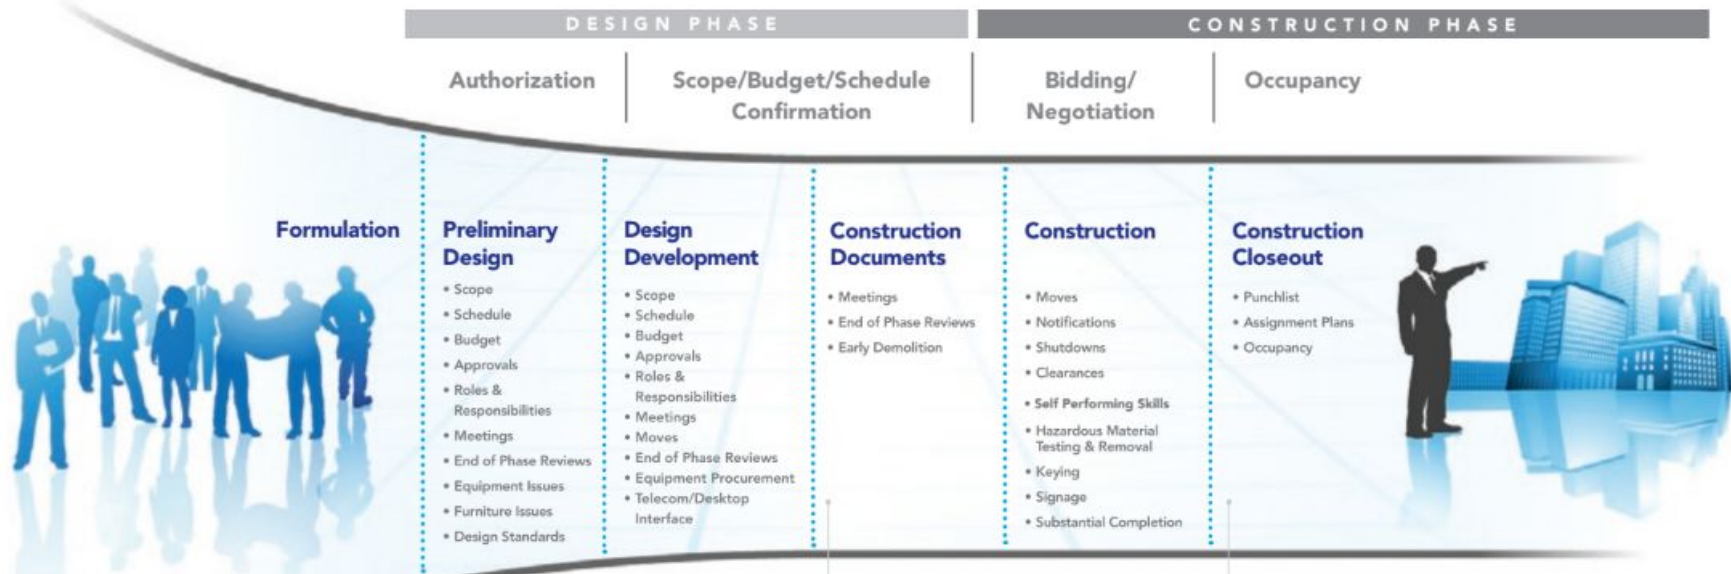

Respect: Value each and every relationship; customers, vendors and employees.

Quality: Perform consistently to the highest standards of all our Clients.

Dependability: Consistently deliver projects and services on time and within budget.

OUR CONSTRUCTION FLOW

FJP is a full service contractor offering our clients a flexible array of premium contracting services.

We specialize in the comprehensive management of medium to large-sized projects, beginning with conceptual design and moving through each project phase, including final dress and on-going maintenance of customer facilities.

Our versatility enables us to manage any portion of a project or individual construction tasks.
