

Capabilities Statement

Tilt Up Construction, Inc. and S.A.N. Business Consultants—Teaming Partners

Established in 2007, Tilt Up Construction, Inc. provides a wide range of construction / deconstruction services to commercial and government clients throughout the Mid-Atlantic Region. Tilt Up Construction is a woman owned and operated firm with over thirty (30) years combined experience in construction, field management services, site excavation and restoration, site development, specialty trade construction and tenant improvements. Tilt Up Construction offers highly experienced personnel uniquely qualified to perform various construction, environmental, and demolition related projects. These professionals are well versed in regulatory issues and have the skills and certifications to successfully complete a wide variety of projects. Tilt Up Construction is a SBA Certified 8(a), SBA Certified Economically Disadvantaged Woman Owned Small Business 8(m) and multi state and locality certified WBE/DBE/MBE.

Tilt Up Construction has teamed up with S.A.N. Business Consultants, a Maryland based corporation and recent 8(a) graduate, in efforts to provide clients with a wider range of experience and technical know how to our portfolio. By bringing together these two firms in a teaming partnership, we feel that we have a wider range of expertise and capabilities to pursue both larger and more design intense projects, leaving each firm to focus on the services that best match their company's resources and strengths.

S.A.N. Business Consultants, a woman-owned small disadvantaged business, provides general contracting, renovation, construction, construction management and consulting services. SAN is built on the principal of providing comprehensive solutions to our clients' needs during the entire project—from feasibility, budgeting and the earliest conceptual phases thorough owner occupancy. SAN provides the organization, people, and systems with which to provide construction management services required for our clients individual and sometimes unique requirements.
