Lure Operators – Don Adams

Entry Fees

Pre-entry cut-off date is (before June 1st at 6 pm). Fee is \$20 per dog per test.
Day of event entry is \$25 per dog per test.

Eligibility

Open to all dogs at least one year of age by the date of the test. Dogs must be individually registered with the American Kennel Club, recorded in the FSS program, dogs with Pal numbers, and dog enrolled in the AKC Canine Partner program. A dog may enter only one time per event. Registration is available with the AKC Canine Partners program for spayed or neutered dogs or dogs with breed disqualifications on the date of the trials. On site registrations are permitted to run in the day's events.

Closing Date

Pre-Entries close at the trial Secretary's address Wednesday, May 29, 2019 at 6 pm., or when the numerical limit is reached, whichever is first.

Day of Event Entries (if openings are available) are accepted throughout the day as circumstances permit.

Make Checks Payable to Toledo Kennel Club. Fees are payable in U.S. funds. Telephone, fax, or email entries are not accepted, Entries will not be accepted if received without signature, fees or the back-of-entry form signed agreement. Returned checks will be assessed a \$20 service fee. No conditional entries will be accepted. Mail entries to Field Secretary. (Note: Secretary is not home to accept entries requiring signatures) Mail or deliver to:

Barb Bumcrots

starting line by a separate mechanical system and replaced at the starting position prior to the next run. Safety is the number one consideration in running this event.

Timing:

Timing will be by electronic timers with a manual (stopwatch) system back-up. In the event of manual timing, a starter's flag will signal the start when the dog's nose crosses the starting line and the time will be recorded by two time-keepers, each operating individually, at the finish line. The time will be the mathematical average of the two manually recorded times.

Hours:

Field Hours: 7am to the conclusion of both events scheduled for the day of the tests.

Check in/inspection: 8am and throughout the day. Dogs must be checked in and inspected prior to running in each event. For dogs running in both events on the same day, they must be inspected prior to each run.

Handlers Meeting: 8:15 with refresher after lunch break

Lunch: A thirty minute lunch break will be scheduled at the discretion of the Event Committee.

Test Schedule:

Schedule and Trial Hours:

7 am until completed. Note in the event of inclement or other conditions or to assist with timely completion of the trial, Trial Committee may elect to start the events earlier than posted. In any event, all entrants presenting during the posted times will be allowed to run.

Volunteers will be scheduled to run first, at their discretion. If you can volunteer, please mark your entry that you will be volunteering. We will contact you regarding your running order. Lunch is provided for volunteers..

Note to Handlers and Scheduling of Runs:

Both events on the same day will be run concurrently to permit participants in the all-breed and other events to better coordinate their schedules. Entrants will be assigned a preliminary running order from number one to the end of the entry. You may ask for a start time and we will do our best to accommodate your request. In preparing your schedule, our experience is that it takes about one hour to run thirty dogs. Therefore, if your number is 130, it is likely that you will be posted in the fourth/fifth hour (around 2pm allowing for lunch. Please let us know at the time of your entry, or as soon as you receive notice, of a potential conflict.

For handlers with multiple entrants please indicate that your dogs should be separated in the running order. The same dog will not be scheduled to run back to back but may, with permission of the handler, be put into the running order at least 10 dogs (estimated 20 minutes) apart to allow for the dog's rest and to accommodate logistical issues. If you need more time, ask, and if you have a ring time in another venue, NOTIFY the field secretary/paddock master so that running order is not unduly delayed.

Check in and Inspection

Dogs must be checked in and inspected prior to each run. Inspection will check for general fitness and for females in season, which are not permitted to run. In addition, the dog's handicap must be verified at the time of inspection. A wicket will be provided. The Field Committee reserves the right to wicket each entrant and the size on the date of the entry will be determinative of the handicap of the date of the run. Official Agility heights are not dispositive of wither heights for the purposes of the tests at this event.

Collars

Dogs may wear any collar except a choker collar, a pronged collar or an electronic training collar. Be aware that there is a chance that tags hanging from the collar would become entangled on something during the run. Clips or rubber bands may be used to hold the dog's hair. The owner

assumes responsibility for the safety of the dog with regard to the dog's collar and paraphernalia on the dog.

At the Line:

The Paddock Master will coordinate the running of the dogs according to his/her best discretion. It is important that maximum flexibility with other events is available for this crowded event.

The first two hours of each day will be run, so far as practical, according to the preliminary running schedule made by the Event Secretary. Each exhibitor will receive a running order via email prior to the event. The schedule will also be posted in the inspection/paddock area.

Dogs will be called "to the line," "on deck" and "in the hole" positions. Dogs that are not present "in the hole" will be moved down and the next available dog will be inserted into the running order so as to keep things moving. The missing dog will be inserted into the running order as convenient when they arrive. So if you miss your run time, you will not be required to wait until all the dogs have run. You can run, within reason, when you arrive.

Please help. If you know you have a conflict, or simply want a different run time, please notify the secretary (before the event) or the Paddock Master (during the event) so we don't have to look for you.

Please treat your fellow handlers as you would like to be treated. Everyone is busy and some are stressed. Please be kind.

The Start

The Huntmaster directs the start of the test and is in control of the course and is in charge of all dogs and handlers on the field. She shall ensure that you understand safe release and retrieval procedures, that the lure is properly positioned, that the dog is properly positioned at the proper set back from the start, shall ensure the lure operator, timers and starting line signal person are ready and -- if all is in order -- shall signal the lure operator to start the lure. Typically, the signal to release your dog is signaled by "tallyho."

Operation of the Lure

The Lure Operator's job is to 1) ensure a safe run by operating the lure correctly, and 2) to get the best score for your dog. If your dog is new, that may mean operating the lure just in front of the dog to maintain his/her attention to get the dog going. (If you don't finish the run you don't get a score.) Tell the Huntmaster that your dog is a new dog.

If your dog is experienced, simply advise the Huntmaster about your "fast dog." He/she will tell the lure operator to run the lure well ahead of the dog to achieve the fastest time. We want you to have a good score.

Retrieval of the Dogs

The principal delay in coursing events is the time it takes to retrieve dogs at the end of the runs. Please have someone familiar with the dog at the finish line prior to the time you get into the "in the hole" position in the running order. If you aren't ready, we will reinsert you into the order as soon as you are ready.

If you are having trouble retrieving your dog, please notify the huntmaster that your dog is a "flight risk." We will attempt to assist in shortening the return field or assist in any way that you can.

Volunteers

We will attempt to run volunteers, at their option, at the beginning of each trial. Volunteers for two hours or more per trial, receive free lunch refreshments, and our gratitude. Volunteers are our friends. Please note on your entry if you are available to man the roles -- set-up, take-down, timers,

paddock masters, hunt masters, gate keepers, inspectors, or any other volunteer positions. We will contact you to coordinate with your schedule and we will train you if that is your preference.

Waiver of Liability:

Neither the Field Committees nor the Club will be responsible for the loss or damage to any dog on the trial grounds, whether as a result on an accident or any other cause. It is clearly understood that every dog entered in the test is under the care, custody and control of its handler during the entire time the dog is on the premises. All owners/agents/exhibitors and other persons attending these tests hereby waive any claim against the club or its agents for any losses, damages, or injuries affecting self, dog, children, or personal property.

New to the Sport

Basic Information About Fast Coursing Ability Tests (Fast CAT)

Fast CAT is a timed straight 100-yard dash for dogs. It is meant to be a fun and healthy activity of interest to any dog owner. Dogs are run singularly.

Fast CAT Points and Titles

The dog's time to complete the course is measured and converted to miles per hour. [mph]. A handicap is applied to the dog's mph to determine the number of points awarded. The handicap is based upon the dog's height at the withers.

Handicaps and Points Toward Titles

18" or greater = no handicap. The points equal the mph of the run

12" to less than 18" = handicap of 1.5. The points equal the mph multiplied by 1.5

Under 12" = handicap of 2. The points equal the mph multiplied by 2.

Titles

Titles are suffix titles earned at designated milestones:

The BCAT Title - 150 points.

The DCAT title - 500 points.

The FCAT title - 1000 points.

An FCAT number eg FCAT1 is awarded for each additional 500 points.

Top 20 Fastest Dogs

The top twenty fastest dogs is published by breed on the AKC website.

(check for if based on time or handicap. It says mph.)

Volunteers are Needed!

If you are able to help out at the FAST CAT, please volunteer. Helpers are always appreciated and greatly needed! Don't worry if you've never done it before, we will bring you up to speed.
