THE THIRD SECRET FORETELLS THE DIABOLICAL PLAN FOR THE CHURCH AND THE WORLD

Excerpts of Father Paul Kramer Interview on Rense Radio Program

We are on the verge of the Third World War at present. Pope Pius XII, in 1939, said: **"Nothing is lost by peace. Everything can be lost by war."** The United States Government is completely oblivious of the truth of that happening. Their agenda is not peace but war. Instead of taking proper actions to arrange for peace with Russia, they engage in being aggressive and provocative and the first victim of this consequence will be Europe.

Where is this all leading to? It has all been foretold in prophecy. We are literally watching the fulfillment of prophecy unfold before our eyes. Pope Benedict XVI, when he was Cardinal, spoke about the Third Secret of Fatima and said it corresponds with what was revealed in Scripture and what has been said many times in other Marian apparitions. It speaks of a Third World War with the U.S. and Russia and we can also foresee from the Secret that Russia will be victorious in that war. The U.S. has embarked on a suicidal agenda by provoking war with Russia and it will come to a very bad end – blind followers of blind leaders will fall together.

This is all being done in order to establish the One World Government, the New World Order. President George H. W. Bush stated this objective to establish the New World Order explicitly in his presidential addresses on April 13 and Sept 11, 1991. On Feb. 2, 1991 in Jacksonville, North Carolina, Bush again spoke of **"the New World Order that we seek to create."**

That New World Order is the very heart of the Third Secret. Not only is this warning in other Marian apparitions; In 1920, Pope Benedict XV warned of men trying to set up a **world republic**; and in 1910, Saint Pius X wrote an Apostolic Letter *Notre Charge Apostolique* (Our Apostolic Mandate) which warned against setting up a **One World Religion**. The **One World Religion** will be established in a context of a global regime of a **One World Government** that would establish tyranny and oppression over the working classes in which we would own nothing but are told we would be happy. That

is worthless propaganda – to be despoiled of property, to be destitute and totally dependent on the dictators of the world is not going to be a happy situation for anyone. In fact, they want to eliminate 90% of the world population. In the World Economic Forum, they speak of "excess humans".

The U.S. was, for so long, a force for good in the world, but as the Deep State became more entrenched on taking over the higher positions, the U.S. Federal Government became an instrument of that Masonic cabal and the Foreign Policy of the U.S. has been directed toward establishing the **New World Order**. The Church, since Vatican II, has been infiltrated. Like a "Deep State" in the U.S. centered in Washington, there is a "Deep Church" centered in the Vatican. That is what the Third Secret of Fatima warns the world about – the "church" that would begin through the reforms of the Second Vatican Council. The Secret refers to that as an evil council which would be ordered toward bringing about the suppression of the Mass and setting up a false religion in place of the true Christianity that we had in the Catholic Church for over 2000 years.

It is the reforms of the *Second Vatican Council* that brings about the transition from the authentic Christianity of the Catholic Faith to the false religion of the Antichrist of Freemasonry; the Luciferian religion that is distinguished as a counterfeit "Christianity". The transition from one to the other is through the reforms of the Second Vatican Council. And so, it is by changing the Mass and by Masonizing religion by means of implementation of the Second Vatican Council that they intend to achieve that goal. **And it is the Third Secret of Fatima that condemns that whole agenda.** They keep the final goal of their agenda hidden. They refuse to reveal it and they want to discredit Fatima in general and make it appear to be something entirely bogus, not worthy of belief.

How far will they go, and when? We are talking about this year and next year,

during the time of the Synod. This is the critical time; it's already happening. The late Malachi Martin, who wrote so well about what is happening in the Church, made the distinction between Ecclesiastical Freemasonry and Secular Freemasonry. The difference is that, though they belong to the same Masonic Lodges, the ones who have infiltrated the Hierarchy of the Church are the ones that are called Ecclesiastical Freemasonry. That's how Freemasonry works. Inside the Church you may have a man of higher rank who is subservient to a Mason of a higher rank. Msgr. Mario Marini, a friend of mine who was Secretary of the Congregation for Divine Worship, told me that Cardinal Agostino Casaroli (deceased) was a Freemason, and was lower in rank in the Lodge than Freemason Cardinal Silvestrini. So, even though Casaroli was of a higher rank in the Vatican, he had to take his orders from Silvestrini.

Interestingly, it was from one of the Cardinals that I received information about where Bergoglio gets his orders from. **Bergoglio, the man they call "Pope Francis", a Freemason, takes his orders from, and is under obedience to his Venerable Master of the Lodge in Buenos Aires.** That's the chain of command. The chain of command is from Argentina. I suppose there are some in the Vatican who deal with him directly, but for a very important matter where he wanted to do something differently, he got the phone call from Argentina instructing him otherwise. Bergoglio is not, as it were, the "monarch" who rules the Catholic Church; **the Masonic Lodge in Argentina is currently exercising power over our Catholic Church.**

THE DIABOLICAL OATH OF FREEMASONRY “DESTROY THE CATHOLIC CHURCH”

With all the crises in the world and the Church today; the common denominator that rears its ugly head is Freemasonry – the root of modern apostasy. What we see around us today, the loss of Faith, the loss of God-given rights, persecution, dictatorship, a counterfeit pope – has been diabolically planned for many, many years. An evil plan, as Father Paul Kramer tells us – to bring about the Luciferian One World Religion, One World Government.

The intrinsic deceitfulness of Freemasonry embraces organized Naturalism and denies the Divinity of Christ. It is obvious, plain to see, yet, mankind seems to prefer to hide its head in the sand. It's easier to live in disbelief, otherwise, you might have to change your life and do something about it. Seeing the apathy of so many of the faithful, Popes and Holy persons have warned the faithful over and over again:

1738: Pope Clement XII, in an encyclical binding to the entire Christian Church, admonished the faithful to avoid membership and association with Freemasonry “because of the wickedness and perversion of Masonry and their ability to deceive.”

1829: Pope Pius IX told the Archbishop of Paris that Masonic secret sects had formed a Synagogue of Satan.

1917: Maximilian Kolbe watched in horror as the Freemasons, celebrating their bicentennial, marched through the streets of Rome carrying banners depicting Satan, declaring St. Michael and declaring: “Satan will rule on Vatican Hill and the Pope will serve as his errand boy.” Saint Maximilian worked tirelessly against Masonry because he knew how the enemy of the Church insidiously affects revolutionary social changes by promoting spiritual paralysis, moral compromise, secular humanism and the heresy of indifferentism.

1958: Pope Pius XII, at a pastoral conference, warned the faithful about the great apostasy and identified the causes of it: “The roots of modern apostasy lay in

scientific atheism, dialectical materialism, rationalism, illuminism, laicism and Freemasonry which is the ‘Mother of them all.’”

1991: Cardinal Eduard Gagnon, member of the Church's Curia, advised that he knew by personal experience in Canada that Masons stole Consecrated Hosts to be used in the celebration of Masonic “Black Masses.” The Cardinal stated further that Masons had made repeated efforts to influence the Vatican to lift all prohibitions against Catholic membership.

In Freemasonry, at each degree of initiation, a Mason candidate takes a deadly oath and swears allegiance to Masonry above God and above country. Under pain of death, they swear never to reveal the secrets of Freemasonry. So, no matter what Masons claim about their good works or intentions, they cannot be believed. They are the Church's diabolical enemy.

The goal of Masonry is the overthrow and replacement of the Christian religious and political order with a new order based on Naturalism, and in doing so, **destroying Fatima** is a paramount necessity at the forefront of their evil agenda. Father Gruner and Father Kramer have pointed out many times that the diabolical plan of Freemasonry from the beginning was, and still is, **to destroy and discredit Fatima**.

Back in 1917, when Our Lady appeared at Fatima, even the three young child seers were subjected to merciless persecution by the Masonic Mayor of Ourem, Artus de Oliveira Santo. He used intimidation and even brute force to try to put an end to the immense wave of popular piety aroused by the apparitions at Fatima. On August 11, 1917, he interrogated the child seers and attempted to force them to reveal the secret and to promise him never again to return to the Cova da Iria.

As we know, he failed, and so, on August 13th, he kidnapped the children and declared that they would not be released until they had revealed the secret. Still, the children refused to betray Our Lady and so the Masonic Mayor decided to use stronger weapons to terrorize

the children to obtain their confessions. He put them in prison and they were told: “The oil is boiling now. Tell the secret if you don't want to be fried alive.” But their bravery prevailed and three innocent children foiled the Masonic conspiracy of that day – a victory of Faith.

This is just a short account of the length that Freemasonry would go to, to derail Fatima, right from the beginning. Their evil obsession and merciless actions in attempt to achieve their goal continue to this day. Is it any wonder then, that we, ourselves, amidst this diabolical plan, are shown no mercy? Is it any wonder then, that Father Gruner (RIP) and Father Kramer today, continue to face many of the same persecutions in the shunned mission of defending Fatima and the Church – of keeping Fatima from being silenced?

We Catholics should now see the Masons more clearly for what they essentially are. They are the heirs of a religion which purports to be the “one religion of the one god” and therefore, the enemy, intrinsically and implacably – of Catholicism.

Freemasonry in its modern mode is “modernity” in the deepest (philosophical and religious) sense of that term. It is a “Counterfeit Catholicism.” For its “god” is the “Counterfeit god”, the one who presumes himself to be like God, the one who is the Prince of this World, the one who is the Father of Lies. They have in place now, the makings of the Counterfeit One World Order and have made great strides in creating the Counterfeit One World Church. The takeover of the Catholic Church has been implemented, with Mason Hierarchy flooding the Vatican, and the final touch, the icing on their cake, is the installation of a Counterfeit Pope – that we know as Bergoglio.

They think they have won. And perhaps they have won the battle, but they will never win the war because, Fatima will be their end. God promised – the Consecration will be done, but it will be late. Late is now. We must pray and sacrifice as never before that Heaven's remedy to destroy Freemasonry through Our Lady of Fatima, will be fulfilled very soon before many more souls are lost to Hell for all eternity.

Prayer for the Conversion of Freemasons 8th Edition p. 410 – The Raccolta

O Lord Jesus Christ, Who showest forth Thine omnipotence most manifestly when Thou sparest and hath compassion, Thou Who didst say “Pray for those who persecute and calumniate you” we implore the clemency of Thy Sacred Heart on behalf of souls, made in the image of God, but most miserably deceived by the treacherous snare of Freemasons and going more and more astray in the way of perdition. Let not the Church, Thy Spouse, any longer be oppressed by them, but appeased by the intercession of the Blessed Virgin, Thy Mother, and the prayers of the just. Be mindful of Thine infinite mercy; and disregarding their perversity, cause these very men to return to Thee, that they may bring consolation to the Church by a most abundant penance, make reparation for their deeds, and secure for themselves a glorious eternity. Who livest and reignest world without end. Amen.

MARIE ROSE FERRON

Mystical Victim Soul for Christ

By **Ellen Montgomery** with excerpts from *She Wears a Crown of Thorns* by **Rev. O.A. Boyer, S.T.L.**

Seldom does one have the privilege to enter the home of a mystical victim soul for Christ, but such an impacting event took place in my life in the early 1980's upon my visit to a friend in Woonsocket, Rhode Island. The home was that of Marie Rose Ferron who not only was a mystic but also bore the wounds of Christ in her stigmatized body. This visit has ever since drawn me to the life of this suffering victim for the salvation of souls.

Rose's Abstinence:

All healthy persons eat to survive; if not, their state is not normal. Rose never practiced total abstinence, but her partial abstinence is noteworthy. The desire for food remained always with her, but when unable to eat or drink she suffered immensely, more so from thirst.

Rose suffered hunger and thirst, as a victim, for weeks and months, and when she ate and drank, she generally suffered. As a victim she gained more merit than if she had lost the desire for eating and drinking. Through it all she kept her serenity, her peace of mind, her judgment, her smile, her beautiful appearance, whether she took food, whether she abstained, or was compelled to eject it.

In 1927 a priest experimented by giving Rose unconsecrated hosts which caused immediate suffering, but when she received Our Lord in the Blessed Sacrament, she had no ill effect. Those who knew her also were aware that she could drink and take broth, which was well known by others as well. However, on March 16, 1928, Rose had been through sixteen days and seventeen nights on total fast from food and drink.

More striking is the fact that in January of 1932 eyewitnesses reported the following: "Rose has not been able to drink water for the last three months... She is so thirsty that she suffers intensely from lack of it, and when she tries to take it, she is nauseated...."

In truth, Rose always thirsted and hungered for food and drink, but her sustenance was made up basically of broth which her parents would always give her, even when her stomach was upset. If she tried to eat other food, it would come back up with horrible pains.

When Rose was asked about her abstinence, she replied: "One must eat to live, I live, therefore, I must eat enough; for otherwise, how could I live?"

Hierognosis:

Hierognosis is a gift which many mystics have; it consists in the discernment of holy things from those that are not holy. Rose Ferron possessed this gift, but especially during an ecstasy.

The Sign of the Cross was used to bless Rose during her ecstasies when her voice would become so weak that her words died on her lips. The Sign of the Cross revived her, and the words gushed out of her mouth like a torrent. Any neglect to continue blessing her would result in a return to her weak state, undiscernible words, and eventually her breath would cease and you felt as though she was going to die.

Father Leonard reported on October 11, 1929, in the presence of another priest and his assistant that he witnessed the following:

"Rose was in ecstasy and was having Our Lord bless her religious articles; a few rosaries were already blessed with special

favors attached to them, when she happened to take her own; 'Oh,' she exclaimed, 'this is mine!' ... (She showed it to Him.) ... 'I had you bless it, ... It is already blessed.'"

Here, Rose realizes that among all the rosaries was her own already blessed by Our Lord. In this ecstasy she was made to move and speak as God saw fit; but she was not aware of what she said or did; nor could she perceive through her senses, because they were dormant.

Here is what a correspondent wrote on February 11, 1930:

"While I was in Rose's room with her sister, Rose fixed her eyes in one direction. They were wide open, and she stared at something that must have been exceedingly beautiful, for her face was beaming. She would raise her head slightly as though she was drawn to it. How beautiful she was to behold! It lasted about three minutes, then with a smile, her head sank down on her pillow."

To describe the scene and the feelings that one experiences on such occasions is an impossibility, for no words can convey the beauty of a ravished face. There was nothing earthly in those ravished ecstasies, it was the purity of an angel, in contemplation before the throne of God.

In Rose's ecstasies, everything was modest, the purpose was always wholesome. Although human, Rose was an angel of purity, a model of patience and her words were always saturated with God's love. When she came out of that state, when her soul returned to animate her body, it returned with a fortitude that crushed the obstacles in the way of salvation and it acquired a hunger and thirst for sacrifice, that even martyrdom could not satisfy.

To be continued...

Seek the *TRUE* Catholic Faith

By **Timothy Montgomery**

with excerpts from *Divine Intimacy and the Holy Bible*

It is of such importance today that we understand the basic fundamental truths of our Faith. Some believe that the Catholic Church has been infiltrated by evil.

Listening to the rhetoric coming from information sources (TV, Newspapers, News releases, etc.) it's difficult to ascertain what is true and what is skewed to meet a specific agenda. No longer can we just rely on what we hear as supposed truth from the pulpit. Many of us do put our Faith in a certain priest and organizations we believe are following the real Church's foundation. But it must be backed up by our own diligent understanding of the true Faith. I have heard many say that "this is the times the Saints would want to be living in". Why? Sainthood requires fortitude to confront challenges that threaten not just our earthly life, but also our spiritual life.

At the core of our Faith is the Blessed Trinity. What Our Lord revealed to us through Scripture and what the Church teaches us about the Trinity is enough to prove its existence but not enough to enable us to understand it. Our Faith is the glue that enables us to accept and promote belief in the Trinity. The Trinity consists of Three Divine Persons: "Father, Son, and Holy Spirit", equal and co-eternal: One true God – the Father, Son, and Holy Spirit.

Their greatness is eternal, and goodness ineffable. They flow into one another in an indescribable, inscrutable way, and we rejoice in this belief. In St. John 14:6 through 14:17, Jesus reveals to us the mystery of the intimate life of God in which He spoke of Himself as the Son of God, equal to the Father in all things: "He that seeth Me, seeth the Father also, because I am in the Father and the Father is in Me".

Throughout history, the Catholic Church has brought into question what we should or should not believe. Many beliefs through serious thought and prayer eventually became dogmas of our Faith. A recent threat to our Faith is the reception of the Holy Eucharist by American politicians who openly support abortions. Is this not outright defiance against the truths of the Faith? Under such blatant displays, it is critical that Catholics stay true to the Faith and cling to the basic truths despite the actions of others.

God gave us another basic tool "the Ten Commandments" as a blueprint for the way we should comport ourselves in relation to Him and those we encounter in life. Maybe we have become too comfortable about what we have been given as vital tools to assist us in our Faith that we have failed in many cases to realize their basic good. We also have the blessing of the Sacraments: Baptism, Confirmation, Holy Eucharist, Penance, Extreme Unction, Holy Orders, and Matrimony. Maybe for some if not all of us we must take another look and understand all that God has given us to bolster our Faith.

Now is not the time to become that "Woe is me, faced with so many questions, not knowing what is true or untrue, what is God's way or is it the devil's way". Now is the time to return to the roots of "The True Catholic Faith", refresh ourselves with basic beliefs, use the tools God gave us and thereby strengthen our Faith.
