 Will the Easter Bunny come for the kids or play an April Fool's joke on us?

❖ **For our young children** - During Badarak sermons we would like to have a bible related story read to our little ones and maybe performed with figurines. This could be done by the parents - both moms and dads, or anyone wishing to be involved, and would take place in the Sunday School room. A calendar will be made available in the school room for sign-ups. Resources are available and Yn Siraripi will be sending website links to help with your planning. This can only happen with your participation and could

be a lot of fun. Anyone willing to oversee the calendar? Today, Yn Siraripi will be teaching a lesson
