

WATER/SEWER HOOKUP OF UN SERVED PROPERTIES POLICY  
FOR THE VILLAGE OF NASHVILLE  
JULY 14, 1994

It is the policy of the Village of Nashville that any property in the Village limits that is not currently served water or sewer and wishes to be served the following will be the cost of such service.

1. The Village will pay 50% of the cost to bring water and/or sewage to the border of a property. The Village is not responsible for any costs relating to bringing water and/or sewer from the property line to the dwelling.
2. There is a ceiling of \$3,000 that the Village will pay per property that requests service.
3. The water - sewer stub fees are not included in this cost. They are charged in addition to this service charge per the Village water/sewer ordinances.
