

Village of Nashville

VILLAGE ALLEY MAINTENANCE POLICY

The village will maintain the following alleys.

- A village map identifying the status of all alleys in the village will be maintained in the Nashville Village Hall, and the DPW Office. The Village Office and DPW Office will also keep a list of alleys maintained by the village.
 - The DPW Department will grade and fill as determined by the DPW Superintendent alleys maintained by the village.
 - Snow plowing of alleys maintained by the village will be done at the discretion of the DPW Superintendent. Village streets will have priority in snow plowing.
 - Residents with property adjoining an alley not maintained by the village may petition the village council to add an alley to the maintenance list.
-
