- iii. PTA vs. PTO - Vote

Lisa Eickberg discussed the benefits of switching from PTA to PTO including the ability for Parkview to maintain it's own tax exempt status. Parkview will be able to save annual PTA fees of \$1500 - \$2000 (based on membership). Lisa opened the floor for discussion. iv. New Lunch timing and procedures

Student and parent discussions prompted some data collection on the amount of time allotted for student lunch breaks. Jayne discussed the importance of having a recess prior to lunch as it promotes better eating and less waste. It was determined that more lunch time could be given. There are still some adjustments being made but the changes implemented include lunches breaks are per grade level. 20 minute recess, 5 minute break followed by lunch.
