

ANYBATTERY

Your Complete Battery Source

CORONA (COVID-19) UPDATE

To Our Valued Anybattery Customers:

As a company, we are taking the Coronavirus very seriously; we are considering the needs of our customers, employees and community as well as the risks. To minimize the risk of transmission we are requiring our employees to follow the guidelines set forth by the CDC and the WHO. Washing / sanitizing hands regularly throughout each shift, covering your cough or sneeze and social distancing. It is our company mandate to stay home if you are not feeling well.

“We understand the essential nature of Anybattery products & capabilities to your supply chain, and we will continue to operate and support you throughout this crisis.”

As an FDA registered and inspected ISO 9001:2015 medical device manufacturing facility, we will continue to operate throughout this crisis and promptly provide you quality products. We believe that communication is key; our lines are and will remain open to address any questions or concerns that you may have.

We would like to thank our healthcare professionals who are battling this worldwide pandemic on the front lines. You bring hope and comfort to a very unsettling time and we are beyond grateful to you.

Stay strong and stay healthy,
Anybattery Management Team
