Only travellers of the same gender will be suitable or possible; if we are unable to find a match, single supplements will apply. CRUISE CANCELLATION

GUARANTEED CRUISES ON SMALL SHIPS BEING CONSTRUCTED FOR THE 2018 SEASON – Where a cruise is offered on a vessel currently under construction for the 2018 season it is the intention of Beyond Travel and its principals to supply the cruise on the vessel as advertised. In the unlikely event that the cruise is cancelled due to issues surrounding the construction of the new vessel or otherwise out of the reasonable control of Beyond Travel, every passenger who has paid either a deposit or full payment will be offered a suitable alternative or Beyond Travel shall refund the full amount of the fare received.

SHIP & ITINERARY CHANGES

Beyond Travel and its principals will do everything possible to make sure your holiday goes according to plan; however, sometimes an unforeseen event occurs to cause changes to itinerary or vessel. Beyond Travel will notify you of these changes as soon as possible.

MOORING

Many of Croatia's historic harbours, especially on the islands, are small and cruising in Croatia has grown in popularity over the past ten years. As such it is not unusual for two or more ships to moor alongside each other at a berth, particularly in busy ports where mooring spaces are at a premium. On occasion, your cruise ship may be moored alongside a number of other vessels when embarking on disembarking. The view from your cabin window may also be blocked when there is another ship alongside.

CYCLING DIFFICULTY LEVELS

Level 1: generally flat
Level 2: flat with some small hills to climb
Level 3: mixture of flat and hilly sections
Level 4: mainly hills, upto 400 metres in elevation
Level 5: very hilly with steep climbs (upto 600 metres in elevation) and fast downhill sections
All routes contain paved or gravel road surfaces.

DOCUMENTATION

Cruise documents are normally forwarded to you or your travel agent approximately 3-4 weeks before the commencement of your cruise. If you are departing Australia or New Zealand more than 4 weeks before joining your cruise, please advise Beyond Travel or your travel agent at the time of booking.

PASSPORTS & VISAS

Australian and New Zealand citizens must hold a current passport which must be valid for at least six months after your entry into a foreign country. It is the responsibility of the individual to obtain the required visas prior to departure. Failure to do so which results in the need to cancel travel arrangements will incur normal cancellation penalties.

TRAVEL INSURANCE

We strongly recommend you purchase appropriate international travel insurance at the time you pay deposit. Cancellation and refund conditions are strictly enforced; therefore, we recommend that you carry comprehensive travel insurance which covers cancellation due to unforeseen circumstances or those beyond your control. Ask your travel agent or Beyond Travel consultant for a choice of policies.
