# Welcome to the Bunnik Way of travel

We have always been a family of travellers at heart, exploring the world around us with equal parts wonder, good humour and curiosity.

Our family has spent many holidays exploring North America's natural beauty and sprawling metropolises. From sharing a Navajo BBQ under the starry night sky of Monument Valley National Park, to a walking food tour of New York's Little Italy, exploring Niagara-on-the-Lake's wine region or walking the cobblestone streets of Old Montreal, our North America tours are full of experiences that helped us discover North America's true beauty. And now we want to share our North America with you.

In creating our small group tours we are driven by two guiding principles. First, everything we do is about your experience, which is why we only run tours with a maximum of 20 people—less time waiting, more time exploring. Second, when done properly, tourism can be an incredible force for good that generates economic and social benefits in the places we visit.

Our itineraries are crafted to really get to the heart of all that a destination has to offer through a balance of organised sightseeing, special local experiences and time for independent exploration. We know that some of the best experiences are when you wander away from the group and make your own discoveries.

More than a checklist, our small group tours connect people, places and cultures, which is an important connection that helps to break down barriers, creates lifelong memories and, best of all, shares the benefits of tourism with all.

Discover our passion for this incredible planet and its inhabitants, and experience North America the 'Bunnik Way'!

# SMALL GROUP TOURING

## Benefits of Small Group Touring

Group touring has many well-known benefits. With all the logistics taken care of, you're able to sit back and enjoy every moment of your holiday. You'll see more for your money and make great friends along the way.

However, there is one downside to traditional coach touring that nobody talks about - the practicality of travelling in a large group.

There's a lot of waiting for everybody to catch up or just get on or off the bus, the extra time taken to allocate hotel rooms, check-in or order at a restaurant. Then there is being told where to sit on the bus and not getting the chance to have your questions answered

Route 66, Arizona by Sacha Bunnik

because the guide is busy with everybody else. These issues exist on all large group tours, whether they are 3 or 5 star.

It is for this reason that Bunnik Tours pioneered the concept of small group touring. Small group touring where our maximum group size will never exceed 20 passengers, where we won't ever hide behind the vagaries of average group sizes or stretch

the definition of a small group to extend to 40 people.

In a small group you still have all the benefits of a group tour, but none of the irritations of travelling with a large group. Because we know that a smaller group makes for some unforgettable experiences.

## The Bunnik Way

Travelling the Bunnik Way means touring in a small group made up of like-minded people. People who want to connect with the places and cultures they visit. People who share a love and passion for this incredible planet and its inhabitants.

With you in mind, our itineraries include a balance between:

- ✓ all the famous landmarks that you rightly expect to see on a tour
- ✓ unique local experiences that only small groups can access
- ✓ plenty of time for independent exploration and discovery.

We believe there is no better way to create lifelong memories and really get to the heart of all that a destination has to offer!

# Just some of the reasons why **Smaller is Better**

## More time with your guide

Our low guest-to-guide ratio means you'll have more one-on-one time to ask questions and take advantage of your guide's expert local knowledge.

## Less time waiting

Getting on and off the coach, hotel check-ins, comfort stops, meals - with a smaller group everything is easier and quicker, giving you more time to enjoy your holiday.

## More space on the coach

Our groups are small, but our vehicles are not! You'll have plenty of room to spread out in our large coaches with ample spare seats.

## Better views

Being in a small group means you'll get a better view of the places we visit. You won't have to jostle with dozens of fellow travellers to get the best views and photo opportunities.

## Getting off the tourist trail

The logistical challenges of large groups mean that they are restricted to places and experiences that can cater for large numbers. Small groups can get off the beaten track and really experience a destination.

## More hotel choice

We have the flexibility to choose from a wider range of accommodation based on factors such as character, service and location.

## More fun!

Being in a small group means you get to know your fellow travellers well, and many of our guests establish lasting friendships on our tours.

## Being a responsible tourist

Bunnik Tours firmly believes that tourism can create an understanding between cultures and generate economic and social benefits in the places we visit. Our small tour groups are low-impact and don't ruin the very places we go to see.

# KEEP AN EYE OUT FOR THESE SYMBOLS

We all love to travel, but we each like to do it differently.

Throughout the brochure we've tried to make identifying these Bunnik touches easier with a series of easy-to-read icons. Choosing the small group tour to suit you has never been easier.

## In-Depth

These In-Depth small group tours are all about the destination and having plenty of time to acquaint yourself with your surrounds, the local culture and all of those must-see sites.

## Special departure

We offer special departures in North America to capture this continent at its finest. Witness the spectacular Autumn colours as the season changes.

## Special experiences

A tour through North America with Bunnik Tours is not just about clocking up states or ticking off major sights. Of course we'll show you the famous attractions, but by staying an extra day here and there, and moving beyond the regular tourist areas, you'll discover the real essence of the places we visit.

## Character accommodation

From an old flour mill in Niagara Falls, to the incredible 5-star Fairmont Le Manoir Richelieu and the historic Stanley Hotel - if the experience is worth it, we'll include it.

## National and State Parks

North America's parks are full of natural wonders, made up of varied ecosystems and abundant with wildlife. They're also a great way to learn more about a destination!

## UNESCO World Heritage-listed

The world is an amazing place with cultural, historical and natural sites needing preservation. We visit an abundance of UNESCO World Heritage-listed sites on our small group tours. Keep your cameras charged!

## Meals

Breakfast is included daily along with group welcome and farewell dinners. We'll also include some special dining experiences along the way and meals where it might otherwise be tricky to get it for yourself. We purposefully do not include all meals to give you the opportunity to eat outside a hotel setting and really experience life as a local.

## Transportation

We like to mix our transportation up when we travel because we believe it makes for a better holiday. After all, anybody can give you a coach tour. For us it's all about the experience!

## Nights

We include multi-night stops to give you time to breathe and take in your surrounds. It's about finding that balance between making the most of your time away and recognising that you are on holidays and need the time to just 'be'.

# SMALL GROUPS UNFORGETTABLE EXPERIENCES

## Small group experience

There's nothing we love more than sharing in some of the unforgettable moments that our small groups experience on tour.

Colonial Williamsburg, Virginia by Sacha Bunnik

### Float through Grand Teton

What better way to enjoy Grand Teton National Park's breathtaking beauty and scenic views than from the mighty Snake River? Keep an eye out for wildlife at the river's edge as we lazily meander through Grand Teton National Park.

### Walking food tour in NYC

This is one for all foodlovers to get excited about as we embark on a walking food tour of the Bronx and Little Italy's Belmont and Arthur Avenues. We'll sample Albanian burek, traditional antipasti, pizza and pastries! Whilst eating we'll learn how generations of immigrants helped shape this vibrant district of New York City.

### Stargaze at San Andreas Fault

We'll travel to what is arguably the world's most famous fault, the San Andreas Fault. Extending approximately 1,200 kilometres along the California coastline, it has been responsible for some of the world's most notable earthquakes. We'll journey through the desert and canyons to witness a spectacular sunset before being treated to a blanket of twinkling stars overhead.

# TRANSPORT & ACCOMMODATION

## How we travel

Like all tour companies, we have clean, comfortable, air-conditioned coaches. Our small group policy means there are always plenty of empty seats. Where we differ is that we offer much more than just coaches. We like to mix it up because we believe it makes for a better holiday. After all, anybody can give you a coach tour. For us it's all about the experience!

### By ocean, river or sea

We've got plenty of opportunities to depart the land and board a wide array of boats and ferries. Explore Niagara Falls on the lake, cruise the Newport coastline with a naturalist guide, or take a sunset jet boat ride from Moab to Canyonlands National Park. There's almost always an opportunity to take to the water on our North American itineraries, so have your sea legs ready.

### Explore on foot

There's nothing fun about being stuck in traffic while on holiday. Our small group philosophy means we have the ability to walk in some of North America's finest cities. You'll feel like a local and see more. Tour the Old Town of Quebec on foot, enjoy a walking food tour of the Bronx and Little Italy and embark on a tour of Boston's Freedom Trail with an expert local guide.

### Off the beaten track

Travelling in a small group means that we can easily deviate from the well-worn tourist tracks where traditional coach travel just won't cut it! Venture into the rough and rocky terrain of the San Andreas fault line by jeep or ride a dune buggy through Oregon Dunes National Park, America's largest expanse of coastal sand dunes!

# Where we **stay**

## Our ratings

In North America we use 3- to 5-star hotels - clean, comfortable and in the right location. All rooms have private facilities and daily breakfast is included.

## Old Stone Inn, Niagara Falls

Our Eastern Canada in Depth small group tour includes a 2-night stay in an old flour mill - it's an unforgettable experience. Located in the entertainment district, we'll be within walking distance of the Falls. Simply magical!

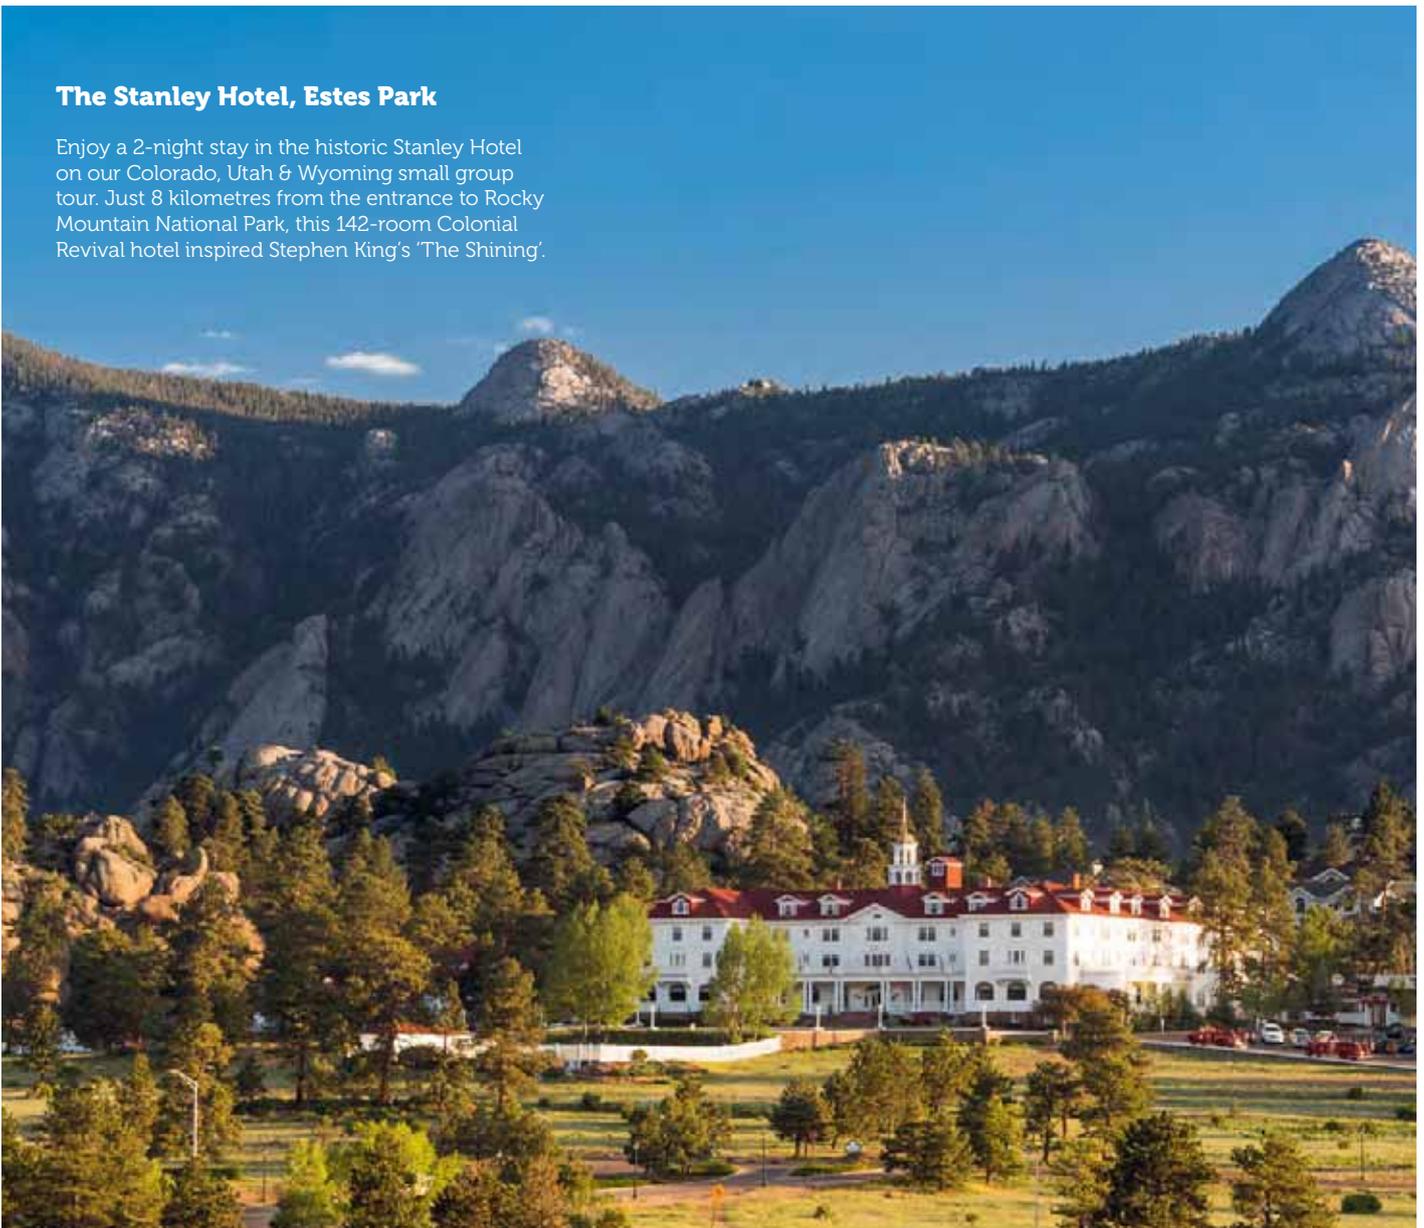

## Fairmont, Le Manoir Richelieu

A truly incredible accommodation experience, this is luxury at its finest. Set between mountains, forests and a scenic village, our stay here offers an abundance of activities and breathtaking views.

## The Stanley Hotel, Estes Park

Enjoy a 2-night stay in the historic Stanley Hotel on our Colorado, Utah & Wyoming small group tour. Just 8 kilometres from the entrance to Rocky Mountain National Park, this 142-room Colonial Revival hotel inspired Stephen King's 'The Shining'.

# NOTHING BEATS LOCAL KNOWLEDGE

All of our guides are carefully selected for their expertise, passion and genuine love of their country. You'll find their energy and enthusiasm infectious and once you've experienced a Bunnik tour, we're sure you'll agree that we have some of the best tour guides in the world. In short, these important members of our family are Bunnik Tours!

**Dana, North America**

A 'Down Under' native and American implant, Dana has shared her love for North America since her first tour in 1981. Particularly the Western USA has a special place in her heart, where the blissful nature of magnificent national parks is juxtaposed against the hurried hustle and bustle of metropolitan cities. Her many travels and innate curiosity cultivated a wealth of knowledge and anecdotal stories in Dana. Being a people-person, she basks in the company of like-minded travellers and loves sharing her sense of wonder with her guests.

**Cathy, Canada**

Cathy is a retired teacher who is enjoying her second career as a Tour Director, and has travelled extensively in Canada, the United States and Mexico. She has also been on six cruises and travelled to Ireland, England, Italy, Paris and the Caribbean. She is proud to introduce Canada to visitors to her country and looks forward to sharing her passion for travel with the guests on her tours.

Delicate Arch, Arches National Park by Graham Meale

We take great pride in the tours we create and are pleased to say that the images featured in this brochure were taken by Bunnik Tours team members and clients, where possible. We believe they provide a truer representation of the places we visit.

# BOOKING YOUR TOUR

## How to book a Bunnik Tour

Planning your holiday is half the fun and it pays to be prepared. You'll find lots of information on our website including videos, client reviews, loads of photos and more detailed itineraries.

-  **1800 286 645**
-  **bunniktours.com.au**
-  **See your local travel agent**

### Deposit

To confirm your booking, we will need a non-refundable deposit. Other deposits may be required, depending on extra arrangements you book with us.

### Payment schedule

45 days after your booking has been confirmed, we'll request a progress payment in order to cover airfares, taxes and fuel surcharges.

### Travel safety

For the latest government advice on travel safety and security, please visit and register your holiday on [www.smarttraveller.gov.au](http://www.smarttraveller.gov.au).

### Passport and visas

Australian travellers require visas for a number of countries. We can help you obtain them. It's important to note that they can take time to arrange.

### Travel insurance

You will need to arrange travel insurance. This is not a choice - it's compulsory, as we'd hate for something to happen to you and you're not covered.

### Tipping Made Easy

Tipping is not a part of everyday Australian life, so many of us feel unsure about when or how much to tip. However, tipping is expected in many of the countries we visit and often makes up a large part of people's wages, so it's important to get it right.

### Your travel documents

Your documents, including itineraries and hotel lists, are prepared approximately three weeks before you depart.

For this reason we have developed a program for selected destinations. This simple system sees us collect tips at the time of booking. We then pass these tips to our local staff and they take care of all the tipping. Easy! It is compulsory for logistical reasons that all tour members participate. Please note: Tipping is not included for the Arctic cruise expeditions, unless stated.

## Let's talk **fitness**

At Bunnik Tours we don't put specific age limits on our tours, but we also recognise some travellers may find our itineraries challenging.

We have a duty of care to all tour participants and the tour guides, so we do impose a firm policy on the level of fitness required by all our clients to prioritise your safety and the safety of other travellers on our tours.

At Bunnik Tours our goal is for all our travellers to enjoy their tour, not struggle through it! This is why we want to work with you to ensure you are on the best possible tour for your fitness level. We do reserve the right to refuse bookings if we feel that the requirements of the tour are too demanding.

Bunnik Tours are for independently-minded travellers with good levels of mobility.

### **Our tours include:**

1. Generous amounts of free time
2. Lots of walking
3. Local and authentic experiences including various modes of transport and accommodation

### **Bunnik Tours travellers need to:**
