These rates are based on availability so please consider booking early. Your guests will receive this discount up until the day of the event, based upon availability.

We understand that many of your guests may want to arrive early. Our check in is guaranteed after 4pm and we cannot guarantee anything before that; however, if the room is available prior, we are happy to check our guests in. Therefore, the only way to absolutely assure an early check in is to reserve the room the night before.

Please inform your guests that we do require the 1 night plus tax deposit upon making any reservations to guarantee the room. Cancelling at any time is a \$50.00 fee and cancelling within

1 week of the arrival date is a forfeiture of the deposit; however, you can change dates and room styles at any time without penalty.

To make reservations with the block, call 1-800-876-3399. Please make sure your guests are stating that they are with the **WHBA** when calling. Once again we are excited to have you and hope to hear from you soon!
