

NORTHWEST GEORGIA USBC, INC.

Local Northwest Georgia USBC, Inc. Association Awards

The Awards and Recognition Committee proposed local awards as amended at the October 2015, quarterly Board meeting. Men, women and youth are entitled to these awards.

Use average as of the time bowler has 12 games bowled, if less than 12 games bowled, use highest yearbook average from any league. If no average, bowler does not qualify until 21 games are bowled in the current season. Bowlers are entitled to one award per season (August 1st through July 31st) in each category. League secretaries are encouraged to apply for these awards within 20 days of the qualifying event.

The 12 games rule is not applicable to the following: 300 game, 800 and 900 series, 11 Strikes in a Row, Big 4 Split (4-6-7-10) Conversion, 7-10 Split Conversion, All Spare Game or Triplicate Series (3 games same score). These awards cannot be earned while pre or post bowling unopposed.
