Guidelines

The NW Georgia USBC Association may award a scholarship or scholarships not to exceed a total of \$1500 in one year to a boy and/or girl who meets eligibility requirements.

The NW Georgia USBC Association may present no more than three (3) scholarships not to exceed \$1500 combined in the same year and not necessarily every year.

The scholarship shall be awarded with approval of the scholarship committee and the board of directors of the NW Georgia USBC. The committee, which is to select the recipient(s), shall seek outside assistance from educators and/or religious leaders.

The scholarship shall be paid directly to the selected college for tuition costs only. In the event the recipient of a scholarship decides not to enter college, or does not register for subsequent quarters, the scholarship shall revert back to the Andy Willett Memorial scholarship Fund.

The recipient must remain a member of the USBC Youth during the school year for which the scholarship is granted. Failure to do so will result in loss of funds.

The student is responsible for furnishing the committee with a transcript of grades each quarter.

The recipient must retain a minimum grade point average of 2.5. Failure to maintain this will result in disqualification.

Applicants may re-apply in subsequent years. Applications must be received by association manager on or before June 15th of each year.
