#### THE NEED:

A standalone furniture piece with large display capacity.

#### THE SOLUTION:

A Bookcase Unit with Straight Valance modified to a custom depth of a full eighteen inches — ensuring a beautiful display area for oversized dishware and cookbooks.

“ The Custom Choice program has allowed our designers to meet the individual needs of our clients when a standard cabinet is not available. The order process is simple with the customer request form, and a response is usually received within 24 hours from their design team. I use Custom Choice cabinets in my designs regularly and have had great success in creating custom pieces. ”
