## **Pearman Personality Integrator™ Information and Consent Form**

**Purpose:** In preparation for your Pearman Personality Integrator Training and Certification Workshop

The Pearman Personality Integrator™ is a psychological assessment that provides a measure of personality in one's natural state (i.e., what is most comfortable) and in one's every day environment (i.e., what is most often demonstrated). It also provides insight into your level of flexibility, agility, and resiliency. After having completed the assessment online, the Pearman™ is scored and a report is generated. Your results are reviewed by a qualified/certified professional who will arrange to meet with you and provide you with personalized feedback. Your Client Report (Leadership Lens) will be given to you for your personal records during the feedback session (telephonic or online).

### **Confidentiality**

Your results are viewed only by those responsible for their preparation and for delivery of feedback to you. All information is regarded as confidential. Following your feedback session all copies of your reports are destroyed. Your results are maintained in Multi-Health System's database, strictly on an anonymous basis, for use in any future research that would involve the Pearman Personality Integrator. All information shared with your feedback professional is confidential and subject to rules regarding privileged communication between a qualified professional and a client. If any aspect of your results is discussed with others who are not directly involved in the provision of feedback, such as for consultations or teaching purposes, no identifying information is disclosed.

### **Exceptions to Confidentiality**

There are four situations in which reporting are compulsory by law:

1. Suspicious of child abuse,
2. Indication of intent to commit suicide or physically harm others,
3. Indication of previous or present sexual abuse by any other Regulated Health Professional,
4. Subpoena by the court

By signing below, you indicate your understanding and acceptance of the above information and you agree to permit Ed Hennessy, your Certified Pearman Personality Integrator Trainer to view the results generated from your responses to the Pearman™ in order to provide you with feedback on your results.
