## Emotional Quotient Inventory 2.0 Information and **Consent Form**

As part of preparation for your Emotional Intelligence Training and Certification Workshop, we request that you experience the process of assessing your own emotional intelligence by completing the EQ-i 2.0 inventory. You will receive your feedback in the form of a Workplace Report and once you complete your assessment, a private telephonic or virtual Feedback Session will be scheduled.

**Purpose:** EQ-i 2.0/EQ 360 Certification

### **Confidentiality**

Your results (test protocol and reports) are viewed only by those responsible for their preparation and for delivery of feedback to you. All information is regarded as confidential. Following your feedback session all copies of your reports are destroyed. Your results are maintained in Multi-Health System's database, strictly on an anonymous basis, for use in any future research that would involve the EQ-i 2.0. All information shared with your feedback professional is confidential and subject to rules regarding privileged communication between a qualified professional and a client. If any aspect of your results is discussed with others who are not directly involved in the provision of feedback, such as for consultations or teaching purposes, no identifying information is disclosed.

### **Exceptions to Confidentiality**

There are five situations in which reporting are compulsory by law:

1. Suspicious of child abuse,
2. Indication of intent to commit suicide or physically harm others,
3. Indication of previous or present sexual abuse by any other Regulated Health Professional,
4. Subpoena by the court, and
5. Fraudulent use of government-issued identification.

By signing below, you indicate your understanding and acceptance of the above information and you agree to permit Ed Hennessy, your Certified Emotional Intelligence Trainer to view the results generated from your responses to the EQ-i 2.0.
