ARE MY DRUGS COVERED?

Check the formulary, also called a drug list, at **YourMedicareSolutions.com**, or call MedicareBlue Rx and we will send you a copy.

HOW MUCH WILL I NEED TO PAY FOR PRESCRIPTION DRUGS?

The amount you pay depends on what tier the drug is on and what benefit stage you have reached. Your costs for each drug tier and benefit stage are shown in the benefit chart in this booklet.

WHICH PHARMACIES CAN I USE?

In general, use the pharmacies in the plan's network to fill your prescriptions. Some pharmacies offer preferred cost sharing, and you may pay less when you use them. You can find the list of pharmacies for this plan at **YourMedicareSolutions.com**, or call and we will send you a *Pharmacy Directory*.

WHERE CAN I LEARN MORE ABOUT ORIGINAL MEDICARE?

The *Medicare & You* handbook explains what Original Medicare covers and the costs you may pay. You can view the handbook online at **medicare.gov** or call **1-800-MEDICARE** (1-800-633-4227) to get a copy. TTY users should call **1-877-486-2048**. You can call 24 hours a day, seven days a week.

WHAT ARE THE BENEFIT STAGES?

As you spend up to certain dollar amounts on your covered prescription drugs, you will move into different benefit stages.

Stage 1: Meet your deductible

The amount you must pay for prescriptions before your plan begins to pay.

Stage 2: Initial coverage

The stage before your total drug costs for the year have reached \$3,820. During this stage you will pay a copayment or coinsurance for your prescriptions.

Stage 3: Coverage gap

This stage begins after your total drug costs for the year have reached \$3,820. It is sometimes referred to as the "donut hole." During this stage, you receive a discount on brand-name drugs and pay no more than 37% of the costs for generic drugs.

Stage 4: Catastrophic coverage

This stage begins after your out-of-pocket costs for the year have reached the \$5,100 limit for the calendar year. You will stay in this payment stage until the end of the calendar year. During this stage the plan will pay most of the cost for your drugs.

USING THE PLAN

UNDERSTANDING YOUR PHARMACY NETWORK AND DRUG TIERS

Using the drug list and the pharmacy directory will help you get the most out of the plan's benefits.

PRICE DRUGS

- All prescription drugs are placed on one of five tiers, or levels.
- The drug list will tell you which tier your medication is on.
- Whichever tier your drug is on will determine your share of the cost.

THE DRUG TIERS

Cost-Sharing Tier 1: Preferred Generic

This tier is the lowest tier and generally contains the lowest cost generics.

Cost-Sharing Tier 2: Generic

This tier contains generics.

Cost-Sharing Tier 3: Preferred Brand

This tier contains preferred brand drugs and nonpreferred generic drugs.

Cost-Sharing Tier 4: Non-Preferred drug

This tier contains non-preferred brand drugs and non-preferred generic drugs.

Cost-Sharing Tier 5: Specialty Tier

This tier contains very high cost brand and some generic drugs, which may require special handling and/or close monitoring.

NATIONWIDE PHARMACY NETWORK

LOCATE A PHARMACY

- Pharmacies in the network offer either standard or preferred cost sharing.
