

Cost per Miles

The battery is the heart of any electric mobility scooter just like purchasing electric car the driving range is one of the most important factors. This is the same concept derived from the terms of MPG, (mile per gallon). Let's make simple to choose your mobility scooter or power chair.

1. What's the range of the scooter per charge?
2. What's the battery warranty of the scooter?

Brand	Model	Miles Per charge	Scooter Cost	Warranty Days ¹	Miles in Warranty ²	Cost per Mile
Luggie	Deluxe	14	2499	365	5110	0.49
Luggie	Standard	11	2199	365	4015	0.55
