

Tick Collection Questions

Please fill out the following when you have saved a tick. It is preferred that one form is filled out per tick; however, we do understand that multiple ticks can come for one location.

Date of collection _____

Number of ticks _____

Location the tick was found be as specific as you can. *Example: Whitten Woods, Highland Street, Ashland, NH (43.711655, -71.637634)*

Was the tick attached to you, a dog, or other species (circle) Yes No
If YES please specify which species it was attached to and where it was located on the victim’s body. *Example: Tick was found on my dog’s left armpit.*

(Optional) If this tick came off of you and you would like the results of your tick disease test, please include your contact information. (Name, Address, Email Address, Phone)
The cost for these results is \$35 and will be invoiced to you. Once payment has been received, the testing results will be forwarded. For more information on this project or additional questions please contact Dr. Kaitlyn Morse at beboplabsNH@gmail.com. Ticks can also be mailed to Tick Collection Offices PO Box 183 Ashland, NH 03217.
