MEMBER SPOTLIGHT

Lucky Nehez

Lucky has been a member of the N.S.L.C. for 8 years. One of the most active members of the club, Lucky is very proud to be involved in fundraisers that help people in need. One of his favorites has been our "Knights Caring for Knights" food program. Always looking for new ways to expand our service to others, Lucky would like to see the club get more involved with local schools in acquiring free eye exams and glasses for students. Lucky's family includes wife JoeAnna, who in addition to being a great help with our club events, also volunteers for many other local endeavors, such as Meals on Wheels and Swine Sisters. Lucky's son Jesse is our fellow Lion who is the mayor of Northfield Village. Lucky is proud of the great work Jesse is doing. Daughter Riki runs a recruiting company in California and, like her parents, is involved in many charitable events, such as Big Brother, Big Sister. Lucky is Vice President of Operations for Federal Equipment Company. His hobbies include building hot rods and muscle cars. Lucky would like to see more men join the N.S.L.C. and be part of "building a better community and making new friends". He adds, "But better than that, it's a lot of fun!"
