

LION TALES

NORTH SUMMIT LIONS CLUB

When it comes to putting on a **Night at the Races Party**, we don't take second place to any one! Another winner this year—full of great fun, food and drinks. Speaking of winners, there were plenty who came away with the numerous prizes and pay-outs. Good job Lion Chuck and Lion Kerry and their crew...and thanks to the many participants who contributed to a mighty fine purse that will all (100%!) go to fulfill the Lion's charitable Mission.

Our Spring Texas Hold 'Em Poker Tournament was again a Full House at Spennato's! Thank you, Lions Mark, John and Lucky and all who helped for making this another HUGE success.

NEW CUBS IN THE DEN!

Recently, **three** new members were installed into the N. S. L. C. Welcome fellas!

MEMBERSHIP KEY FOR LION G!

Congratulations to Lion Egidio Di Paola (left) who received his Lions Membership Key Award from Secretary Lion John Debelak for his recruitment of new members into our club. Bringing in new quality members is the life blood of any successful club, and there are very few who do it as well as The G Man.

MEMBER SPOTLIGHT

Roger Hall

Roger is the Historian of the N.S.L.C. He is also the official photographer of the club and a key contributor to *Lion Tales*, website, and other N.S.L.C. communication pieces. Roger has been very active in club events since he joined in 2013. Some of our accomplishments that he's most proud of are Breakfast with Santa, being represented at a Car show at Twinsburg Community Center, and the alliance established with The Emergency Assistance Center in Northfield Village. Roger retired in 2007 after working in the U.S. Department of Defense's Finance and Accounting Service Center in Cleveland for 18 years. Before that, Roger served in the U.S. Navy for 24½ years as a Cryptologist. (Interviewer: "What exactly did you do as a Cryptologist?" Roger: "If I tell you, I would have to shoot you!" Interviewer: "OK then, let's move on to your family..."). Roger and his wife, Laurice, have four sons and eight grandchildren. He likes to add that one grandson will graduate from prestigious Rochester Institute of Technology in May. Roger's Navy background is reflected in his activity as an avid boater and fisherman, instructor of boating safety courses, and Vessel Safety Examiner. He is also studying advanced navigation (advanced piloting and celestial navigation). Outside of all this, Roger finds time to play some golf. Roger feels recruiting more quality people into the N.S.L.C. is important to bring in fresh ideas and help the surrounding communities. Quality person? That's Roger.

Condolences to Lion Bill Amato and family on the loss of his mother. Also, wishing Bill a speedy recovery from health issues.

OUR MISSION

To help people in our community with services and fundraising activities. We will continue to support our community's needs.
