Water Outages Phone Fan Out

With the age of the Village waterlines, the possibility of water outages due to water-line breaks could occur at any time. This years' water line assessment will definitely be a huge benefit in being proactive. In years past there was a phone fan out message from the Village regarding any emergencies. A consent form would be required to participate. If anyone is interested in starting this up again, please contact the Village Office at customerservice@bawlf.com

Volunteers Needed!

*If you want to be a part of the
beautification of the Village, we
would love your help.*

Many voices at the Winter General meeting
expressed how they want the
Village of Bawlf to be improved.

This is a project that involves residents as well.
Public Works has a full schedule keeping up with
regular mowing and maintenance. Volunteers are
needed for projects such as Adopt-a-Pot and
special event days.

Maintaining properties also goes a long way
towards showing pride in our Village.

Canada's 150th Birthday!!!**
