WE MADE HISTORY!

**Bawlf and District
History Book Volume II**
(official name forthcoming) is in the planning stages. This new book will continue documenting our community's history from 1980 to present day, and those who live or have lived in the community are invited to submit their stories. In addition to vital statistics like birth dates, deaths and marriages, we want to hear stories about school days, sporting events, and life in general! It's your submissions that will make this project a success, and our book will not be complete without them.
