Update: At the March 29, 2017 Special Council Meeting, Council passed a motion to
accept ISL Engineering's proposal to proceed with the development of an Asset
Management Plan for the Village. The project is well underway and will assist Council
in making informed decisions during the budget and capital planning process to
prioritize all future capital projects in regards to the maintenance/replacement of
Village infrastructure (roads, drainage, water/sewer lines, lagoon, lift station),
water meters, equipment and buildings.

Bawlf and District History Book Volume II (official name forthcoming) is in the planning stages. This new book will continue documenting our community's history from 1980 to present day, and those who live or have lived in the community are invited to submit their stories. In addition to vital statistics like birth dates, deaths and marriages, we want to hear stories about school days, sporting events, and life in general! It's your submissions that will make this project a success, and our book will not be complete without them.

NEXT DEADLINE FOR SUBMISSIONS IS MONDAY, AUGUST 28TH
