Subdivision and Development Appeal Boards (SDAB) hear appeals from municipal subdivision and development authorities. By hearing appeals and making decisions on land use in Alberta, a SDAB fulfills a vital function in achieving the goals of orderly, beneficial and economic development set out in Part 17 of the Municipal Government Act (MGA). SDAB decisions shape the community and affect the lives of developers, neighbours, citizens, and businesses.

Does this interest you? Would you like to take on a larger role in our community?

The Village of Bawlf is looking for members to sit on our SDAB board. If you are interested in becoming a member of our SDAB, please contact the Village Office for more information.
