DECEMBER 2018

A Holiday Message To All

On behalf of the Bawlf Village Council and Staff, I would like to wish all residents of Bawlf and surrounding area a very joyful and safe Christmas and New Year.

It has been a busy and productive year for the Village office and maintenance staff. The Village has repaired a number of its curbs and sidewalks, as well as installed new ones. This past year we also had a couple of streets treated for dust control and abiding by the 30 km/hr speed limit which will help greatly.

I would like to thank those that came out to our open house this year. It was a productive meeting and we heard many good ideas on what the Village needs to do to encourage new people to live here. On behalf of all of the Village residents, I would like to give a big thank you to the Bawlf Lion's Club and the Bawlf Rec. Association for the upgrades which took place in the Lion's playground this year; our local youth will enjoy the new apparatus for years to come.

As we celebrate this holiday season, my wish for you is that you spend quality time with family and friends and use the time together to reflect on the blessings this past year has brought you. I would also like to extend a special "welcome home" to all who are visiting Bawlf over Christmas – students, children and parents, friends and extended family – I sincerely hope you enjoy your time back home and make some new memories.

From my family, Village Council and our dedicated Village staff, we wish your family all the love and blessings of the season.

Merry Christmas and Happy New Year!

Sincerely,

Mayor John DeMerchant
