A Christmas message from Council:

Holiday Greetings

Another year is coming to a close and we are all preparing for the upcoming holiday season. It has been a challenging year for many of us. Let us hope the New Year will bring us all the things we really need. Most importantly may the holiday season provide you with the love and support of family.

It has been a year of changes for the Village office and Council. There are new faces that are eager to make this village a peaceful place to live and do business. Input from Villagers is always encouraged to help improve our way of life. No major capital projects happened in the last year, but there are plans for next year.

Next year is the homecoming for the village and plans are underway for that celebration. If you wish to get involved, participation is always welcome. Please watch for updates and meeting dates to be posted on our website and on the sign by Highway 13. In closing, the Village council and staff would like to extend the warmest wishes for the holidays to all in Bawlf and the surrounding area. May you have a wonderful time with family and friends.

Merry Christmas and a Happy New Year.

Note from a Village resident:

I live on the east end of the Village. This year (2019) Halloween was one of the busiest I have had in years. I just want to say that out of the 46 kids I got, everyone of them was polite, well behaved and involved me in the Halloween experience. They were just a delight to see and pass out candy to. You kids deserve a pat on the back and keep up the good manners. And parents I just want to say YOU MUST BE DOING SOMETHING RIGHT.
