OFFICE NOTES

PROPER SEWER USAGE

We have been experiencing issues with clogged pipes in the village sewer system. We wanted to remind residents that the following items should not be flushed or put down the drain. Rags, diapers, wipes, paper (other than toilet paper), medications, feminine hygiene products, beauty products, plastics, grease, chemicals, oils and gas. We thank everyone for their due diligence with proper disposal of such items.

STAFF CHANGES

Erin Smyl has moved into the position of CAO.

With Erin's move we would like to welcome Nicole Strilchuk as the Admin Assistant. She brings with her over 10 years of administrative experience and looks forward to meeting everyone.

Just a reminder to residents with the recent snowfall to keep sidewalks clear of snow and ice.

Watch for upcoming information on the annual car show, village garage sale and village cleanup.
