## COACHING INFORMATION:

**David Earl - Head Coach - 07904 347 917**

I've worked both in The UK and abroad coaching all levels of Tennis player. I love to bring intensity and improvement to each session plus I think

it's vital for a coach to join in so you won't see me standing next to a basket. £30 per hour individual rate.

**Ollie Butler - Senior Coach - 07545 213 474**

I've worked in the Reigate and Redhill area for well over a decade and enjoy the interaction between me and someone improving their Tennis. I hope

the people I coach get the enjoyment from Tennis that I have had over the years. £30 per hour individual rate.

**Ed Wombwell - Coach - 07920 554 962**

Tennis is my passion and I'm lucky to have turned my hobby into my job! I love working with all standards and ages and if I'm not on a court I'm probably

asleep. I offer a hitting / drills session for £10 per hour and my individual rate is £20 per hour.

**BOOM JUNIORS:** Train, Compete, Fun.

We love good intensity in a session because if we train hard it makes matches seem easier. Our group sessions are based on the technical, physical and tactical side of the game and always include warm up, teaching and points. Our coaching programme runs for 48 weeks per year and for £30 per month a junior gets a coaching group, social night and competition every single week.

**BOOM ADULTS:** We have adult groups

running Monday to Saturday at £10 per session for 90 minutes. If you would like to join in you can whatsapp 07950 802 770 and we'll put you in one of our 3 groups for beginners, club players and team players. Every Monday we send out a message and you book your session that week, it's really that simple.
