Dear School sports organiser,

Why not have a Boom Tennis Schools link up. We've successfully organised after school clubs in over 10 local schools and it's given plenty of kids the chance to try Tennis but i'm keen to give everyone a go to improve their fitness, allow them a chance of working on an individual sport and increasing local participation.

An official school link up would mean that we have an on going relationship where we (Boom Tennis) based in the Redhill area are your official Tennis partner and this is what you'd get;

Boom would host a Tennis Festival at the school at a time that suits you so our team of coaches would come to the school for an entire week and run every PE class, organise Tennis at lunchtime and host some assembly's.

Each summer we will host a Schools Competition at Redhill Lawn Tennis Club where any age and any standard of child can enter and compete for the trophy completely free of charge.

A link up with us is completely FREE. We want to be able to give something back to the local kids and see it as important that every single young person gets to have a go at Tennis and have coaching from full time professional coaches.

Id love to be able to come in and have a meeting with you about how it works and how we can get the (tennis) ball rolling

I look forward to hearing from you

Regards,

David Earl
