## Museum of Discovery & Science

The 2019 Bucket List Bash & Casino Night is a celebration of the impact of **Museum of Discovery & Science**, **HANDY** and **The First Tee of Broward** has had in our community..

The Museum began its history as a project of the Junior League of Fort Lauderdale, opening as the Discovery Center, a hands-on museum of art, science and history, in 1977 in the historic New River Inn. Over the course of the next few years, several other historic buildings became part of the Museum's complex. More than 450,000 people visit the Museum of Discovery and Science annually. Over 8 million visitors have experienced the Museum since opening in 1992. The Museum currently serves 90,000 students annually who visit on school sponsored field trips.
