There is no better place than the Tuscany hills for a perfect combination of the silent and relaxing countryside lifestyle as well as the unhurried pace you still find within the ancient stone walls of our charming towns.

Let yourself be embraced by this unspoiled atmosphere during a one week stay in a delightful Villa in the countryside of Cortona, while enjoying the local authentic traditions and activities for a collection of memories you will cherish forever.

Come to discover the heart of Italy, with its beautiful landscapes, charming towns and fascinating history, thousands of years of art, culture and gastronomy!

If someone wishes to send a postcard that is a perfect representation of their vacation in Italy, they often choose images of Tuscany: soft rolling hills, lines of cypress trees, endless vineyards, orderly olive groves, art cities, majestic castles, and a history that goes back over centuries all await you in Tuscany.

THE VILLA

This charming, single story, stone villa is set amidst 5 acres of magnificent olive groves, with stunning views over the Val di Chiana valley and the surrounding beautiful countryside of Cortona, including Lake Trasimeno, the fourth biggest lake in Italy.

The villa has been recently and lovingly restored, maintaining many traditional Tuscan features such as vaulted, wooden ceilings and beams. The property gives guests a feeling of complete privacy and tranquillity, and yet it is only a short distance to the town of Cortona, which has an abundance of shops and restaurants as well as an open-air market.

The villa consists of a kitchenette, an open plan dining and a living room featuring a frescoed fireplace and also has a sofa bed. The 2 double bedrooms are comfortable, bright and airy, each with beautiful views from the windows, and the 2 bathrooms are modern and spacious. There is satellite TV, heating, air-conditioning and a washing machine.

The below-ground swimming pool can be found in the beautifully well maintained gardens where guests can use the sun-loungers and parasols whilst enjoying the panoramic views. There is also a small covered pergola area with outdoor seating, suitable for al fresco dining.

THE EXPERIENCE

This private tour is designed for red wine lovers and leads to the discovery of two special wineries. Your driver will pick you up in the morning and take you to the first biodynamic vineyard in the countryside of Cortona, a family business which produces small quantities but high quality Syrah.

Here you will learn all about the authentic and ancient way of making wine and will be captivated by the passion of the owners. The wines you'll taste will be the proof of their dedication.

The second is a stunning cellar located in one of the most beautiful Renaissance palaces of the medieval town of Montepulciano, which is also one of the most famous Italian wine growing regions close to Cortona.

Breathtaking views abound at every turn, picturesque rolling hills planted with vineyards year-round and wineries of every stature dot the landscape. Along with tasting the delicious wines produced here you will also have a mouthwatering lunch in the winery's restaurant. In the afternoon you'll be happy to take a stroll in Montepulciano and enjoy its enchanting history and features.
