

The seed of the kingdom sown in home bible studies, street preaching, gospel meetings and bible correspondence course resulted in regeneration and happy lives.

The young people happy finding God's purpose in their lives.

The young ones are the future of the church. Jesus the saviour is made known to them. They are taught to be faithful in Christ like living and sharing the gospel to others. It's encouraging to see some of them bringing their friends to church.

511 souls put on Christ in baptism.

9 new congregations established in the last 3 months.

The word of God is studied and obeyed even after baptism. God is worshiped in spirit and in truth.

Church buildings are being built at 29 locations.

All the co-workers work hard for the establishment and growth of the church. But some of them have done remarkable work. One of them is K. Israel. He and his wife worked as school teachers. Each town they worked they preached the gospel and established the church as well. In 14 of those places he built the church building. He has gone to be with the Lord in early part of October. I have participated the consolation meeting. Many hundreds gathered. I was late to arrive Kambampadu as I travelled from Chennai. The several hundred kilometres of travel was not too long for such a faithful preacher of the word. He was nearly 90 years old. He and his wife have an adopted son. He too is a preacher of the word.

God was glorified in his life on earth.

Another person stands out in our ministry is a bicycle rickshaw puller in Guntur. All what he owned was his rickshaw and a hut. He donated his land where his hut was located to the church. Now a three story building is built at that place. 1<sup>st</sup> floor church meeting. 2<sup>nd</sup> floor orphanage and the 3<sup>rd</sup> floor the preacher's home.

Another person who stands out in our ministry is a widow who donated the land she owned to the church. She lived in a hut which was in the land. I have asked her where she will live. She told me she will be happy to live on the veranda of the church building. The building was built there for the church. But ever before the building was complete she left to be in her eternal abode.

I am thankful to the three of

them and the rest of them whose generous and sacrificial giving help support God's work.
