## Handgun Purchase Permit Application Procedures:

1. Visit the Sheriff's Office website at [www.ucso.us](http://www.ucso.us) to submit an online application or go to the Sheriff's Office to submit a paper application.
2. A criminal background check will be performed on all applicants. Most applications are processed within seven (7) days. However, N.C. state statute allows up to fifteen (15) days for the processing of handgun permit applications.
3. If your application is approved, you will be notified by email or phone to pick your permit(s) up at the Sheriff's Office **between the hours of 6am-8pm, Monday-Friday**. Please make sure that you bring valid NC issued photo identification.

4. The address on your driver's license or ID must match the address on your handgun permit. Therefore, if you have recently moved, you will need to get your driver's license or ID updated before picking up your handgun permit.
5. Please do not call the Sheriff's Office to check the status of your application. You will be notified by email if it is approved, denied or if additional information is needed to process your application. If you completed an online application, you can also sign in to your account through Permittium and check the progress of your application online.
6. Handgun permits are issued for the purchase of handguns only. It does not give you the right to carry the gun concealed. Carrying a concealed weapon without a valid Concealed Handgun Permit is against the law (G.S. 14-269).
7. Applications expire when permits are issued. A new application is required when applying for additional permits. Permits must be picked up within 60 days of issuance or they will be destroyed and you will need to reapply.
8. Handgun permits are valid for a period of five (5) years from the date of issuance unless your address changes

If you have any additional questions, you may call the Sheriff's Office at 704-283-3789.
