

Change to the ASAP Fee Rates

Further to our recent letter, we have had to make a small fee increase for care at ASAP Before School, After School and Holiday Program's, effective from 1 October 2018.

The ASAP hourly and Holiday Program rates have remained static for at least the past 2 years and this change is a result of the inflationary increases in the costs of providing services at our Centre.

Fortunately, investments in an amazing Team of Staff, efficient equipment and solid technology have enabled us to keep the rate increases to a minimum. A summary of rate changes is below. We anticipate no additional rate adjustments for the next full year.

Hourly Rate For Morning and Afternoon Program's:

Old Fee—\$6.95/hour New Fee—\$7.25/hour

Please Note that there is no change to the manner in which these fees are applied.

Holiday Program Fee:

Old Fee—\$49/day New Fee \$50/day

Half Day Fee remains at \$26/half day

Thank you for understanding that this price increase means that we can continue to maintain the superior standard of our care and program's in the coming year.
