

## 2<sup>ND</sup> ANNUAL SAINT JOSEPH EN PLEIN AIR

Welcome Artists! As you may or may not know, St. Joseph is full of rich history and architecture from the days of western expansion. This is the city where the Pony Express began, and Jesse James ended.

Each year, we will change painting sites as to keep things fresh. Sites will include (but not limited to) our downtown, city parks, riverfront, and historic neighborhoods. Our mission is to enhance the St. Joseph community, its arts, and share the features that make this city great.
