

MVIS WORKSHOP BY BRENT SEEVERS, MVIS

A-Day en Plein Air

DATE: April 25, 2020 TIME: 9:00 am - 4:00 pm LOCATION: Krug Park, St. Joseph, MO

Intro.

This 1-day workshop is an introduction to plein air painting. It is designed for those who have little or no experience in plein air painting and are wanting to learn. Great for those who would love to take up painting as a hobby. Participants will learn to simplify. Composition, perspective, values, and color choices will also be taught.

Painting from life outdoors can be overwhelming and stressful. This workshop will help overcome those frustrations. Experience is a great way to learn, and this is a show-you-how-to approach. Emphasis will be placed on how to make plein air painting a pleasant experience and how to paint in a timely manner with basic supplies.
