

# Now you can take checks just like credit cards.

Stop losing sales because of customers who want to use checks. With our check conversion and guarantee service, you can accept checks just like credit cards.

# Accept every check without worry.

**With our check conversion and guarantee service, you can accept checks just like credit cards.**

Checks are converted into an electronic deposit so the payments go right into your checking account just like your credit card funds. You can skip going to the bank each day to deposit the checks.

And with our check guarantee service, we guarantee payment on each and every check you accept. You don't have to worry if the check is good, or lose a sale by not accepting it. It's a simple way to save time and money, freeing you up to focus on growing your business.

With a payment solution for every situation, Total Merchant Services can truly set your business free.
