EN CHECK 2500 CHECK READER*

Reduce risk and eliminate bounced checks with the eN Check 2500 check reader. The eN Check 2500 boasts an array of superior features, an ergonomic design and a rapid read rate. The eN Check 2500 is the most popular check reader in the world and Harbortouch can provide you with this payment solution absolutely free!*

EQUIPMENT FEATURES

- Increased processing speed
 - Easy to use
 - Ergonomic design
 - Virtually silent operation
- Highest read accuracy on the market

PERFORMS CHECK GUARANTEE AND CHECK CONVERSION

Adding an EnCheck check reader to your business will allow you to take advantage of Harbortouch's Check Guarantee service to authorize your customers' checks at the point of sale and be alerted to bad checks. You will also be able to use Check Conversion to electronically process and deposit funds from approved checks into your bank account automatically.

ADD A FREE ENCHECK 2500 TO YOUR LOCATION

The ability to accept more checks with less risk is certain to improve your sales. Contact Harbortouch today and add this payment system to your business at no cost.

*Merchant processing agreement required. See agreement terms and conditions for complete details.
