

# REVOLUTIONIZE YOUR BUSINESS WITH HARBORTOUCH ECHO™

Harbortouch Echo combines the power and functionality of a traditional POS system with the simplicity and sleek design of a tablet. Harbortouch Echo offers countless time and money saving features so you can focus on what's important: keeping your customers satisfied and spending!

## BENEFITS OF HARBORTOUCH POS

- Streamline your operations
- Utilize countless time and money saving features
- Get a top-level view of your business with robust reporting
- Track labor with built-in time clock
- Rest assured with a PCI compliant payment solution
- Take advantage of 24/7 customer service and technical support

## INTUITIVE & ROBUST SOFTWARE

- Get started quickly with our simple set-up wizard
- Customizable, easy-to-use software with features for both restaurant and retail businesses
- Module-based software allows you to hide features you don't need so you can maintain a simple interface
- Full remote update capability ensures you always have the latest features and functionality

## BUILT-FOR-PURPOSE HARDWARE

- All-aluminum construction
- 13.3" touch-screen display
- Super-fast flash storage
- Dual-hinged stand for flexible adjustment
- Integrated customer display
- 180° rotation allows customers to sign on screen

## INNOVATIVE TECHNOLOGY

- **Apple Pay™ compatible**  
Customers pay conveniently and securely from their phone using Apple Pay technology.
- **Cloud-based reporting and POS management**  
Harbortouch's cloud-based Lighthouse platform allows you to remotely run reports, manage labor, or update your system
- **Hybrid Cloud**  
Hybrid cloud technology provides the benefits of the cloud such as real-time reporting and redundant back-up while maintaining the advantages of a local system including faster speed and the ability to operate if internet goes down.
