

ACTORS DELIGHT WORKSHOP

BWIF have only one goal in mind and that is to prepare aspiring local actors how to be camera-ready, knowledgeable and relevant at all times. We have created self-sufficient ways on how to be groomed and ready to work on micro-budget productions throughout the city of Texas and surrounding states. The Actors Delight Workshop is designed to teach aspiring actors:

*How to arrive to set make-up ready while accommodating your role with ease.

*How to formulate safe-ready and standby wardrobes on a low-cost budget.

*How to master set etiquette without a drop of sweat and master stress-free tactics.

*How to stay relevant as a SAG eligible and non- union actor.

*When to start requesting compensation for your participation in short films, feature film, documentary, etc.

*How to recognize professional set productions.

*How to request and receive footage in a timely manner after production.

*What kind of footage is needed to compliment your REEL.

*How to choose roles that will honor your personality, morals and destiny.

*How to read for a role and create a dual lasting impression, and a callback and the list goes on and on! YOU do not want to miss it!

We're the organization that's NOT trying to get it from YOU but get it to you!
