THESE NEW RENOVATIONS INCLUDE
UPGRADES TO MULTIPLE CAMPUS
FACILITIES. THERE ARE ALSO PLANS
ABOUT INTRODUCING SIUE TO THE
“LEADERSHAPE” PROGRAM. ONCE IN
EFFECT, THE SIUE COMMUNITY IS
EXPECTING AN INCREASE IN
MULTIPLE STUDENT BENEFITS.

{SOT: George Karnezis}

“SIUE has definitely made me feel
welcome and comfortable throughout my
college career because they are always willing
to reach out to what our needs are as students.
So, to see them reaching for an even brighter
future like this really encourages me to
recommend this college to incoming future
students.”

OVERALL, THIS YEAR’S SIUE DAY
WAS ONE OF THE BIGGEST SUCCESSES
IN CAMPUS HISTORY. THE EVENT
ATTRACTED NEARLY TWO HUNDRED
COMMUNITY LEADERS AND BUSINESS
WORKERS.
