-

Experience

Evening DJ and Broadcaster (*part-time*)

WSMI Radio 106.1, Litchfield, Illinois

December 2015-present

- Shadow the station owner to learn the business of radio broadcasting and production. Work on-air shifts as needed on midwestern country station.
- Broadcast general news and weather, make playlists, take transmitter readings.
- Assist with video production on daily weather report recordings.

Play-by-Play Broadcaster (*seasonal*)

WGHS-TV, Gillespie, Illinois

September 2016-present

- Broadcast high school football games with a partner, alternating between play-by-play and color commentary. Made recordings for distribution to parents, players, and fans.

PA Announcer (*volunteer, seasonal*)

Litchfield Invitational High School Basketball Tournament, Litchfield, Illinois

January 2016-2017

- Announced 20 games over two tournaments. Received accolades from all 12 participating schools.

KTRS Sports Radio Internship (*part-time*)

The Big 550 KTRS AM Sports Radio, St. Louis, Missouri

August 2017-present

- Assisting on-air sports talent in screening phone calls, researching for shows, preparing segments for podcast, and gathering and editing sound for sports shows and morning sportscasts using Adobe Audition CC software.
-

Special Projects

- Collaborated with crewmates to write scripts and produce commercials, news packages, and documentaries for SIUE's weekly video magazine, *Global Village*.
 - Produced a 30-second *Global Village* promo commercial that's reportedly used in mass communications classes as an example of an engaging and entertaining project. Set up cameras and lighting, shot and edited video (Avid Media Composer), and coordinated talent.
