

Tuttle church of Christ  
Spiritual/Biblical Boot Camp – Phase Three  
July 1 – September 30, 2018

**Aim:** To provide daily/weekly Spiritual/Biblical activities to strengthen the bible study and growth of participating Christian.

**Guidelines:** Each interested participant is to sign-up for the Boot Camp and use the daily/weekly activities to complete the exercises. All is done on the Honor System with only the completed certification submitted on October 1, 2018. Each name with a submitted certification sheet will be placed on the Wall of Honor.

Each week will require reading, research and recording. A journal would be good to keep enabling you to have as a resource for your future bible study.

The Boot Camp for this period will be an in-depth study of each member of the Genealogy of Jesus according to the writing in the Gospel of Matthew. Some will be very familiar but will need to be studied to ensure all is known and understood of their part in the lineage of Christ. Others will be more difficult to find much on, but again the study and reading will benefit each one in their quest for Bible knowledge of God The Father, God The Son, and God The Holy Spirit. This study and pursuit of information and knowledge can go as deep as each one wants to take it, and no matter how you study you will benefit from your efforts.

Reading, Studying and meditating on four individuals each week will allow you to arrive at Jesus in the last week of the quarter.

Each day's reading and study needs to end with a talk with God regarding your study for the day.

**Week 1**

Begin with Abraham and then on to Isaac, and on from there. Move at your own pace to aid you in your comprehension, meditation, journaling and growth throughout the quarter.

At the end of each day, pray for your Study, your understanding, your growth and the church.

**Week 2-13**

Each week begin the next set of four individuals and conduct your research and study on that group.
